DALY CITY PREPARES FOR WAR

DALY CITY XMAS DECORATIONS GO UP IN TWO WEEKS

Lights To Run Length Of Mission

Festive Christmas decorations will go up the length of Mission street in Daly City within the next one to two weeks, city officials said today.

As last year, the decorations will consist of bright red, green and yellow Christmas lights strung at intervals across Mission from the San Francisco county line to Market street.

In addition there will be paper Santa Claus figures, a gay Noel banner at the "gate" of Daly City and other items to help bring the festive Christmas spirit to this area.

Added Expense

Last year the city purchased the lights and decorations to be used year after year. Then it was hoped that each Christmas season something new could be added to the decorations.

However, this year the lack of wires across Mission street (these were taken down when the last streetcar went out) has forced the city to spend well over \$1,000 for cable to string the lights. The added expense has necessarily cut down on the amount of Christmas decorations.

Also giving a helping hand are members of the Daly City Merchants Association. They have cooperated to the point of offering funds and assistance to the city in its effort to spruce up for Christmas.

City To Beautify El Camino Strip

Utilizing even the dirt from the site of the new \$298,000 Community center, the city this week was taking steps to beautify a long time eyesore in the south of Daly City.

Truck load after truck load of dirt from the site at Alp and Mission is being carried to fill in the gaping strip on El Camino Real to B street which was the former route of the No. 40 carline.

Simultaneously Colma City officials have agreed to fill the strip in the section of their city. It is expected that within the next two weeks the ugly 1 1/2 mile cut in El Camino Real will be filled with dirt.

When the fill is complete both Daly City and Colma will proceed to plant flowers and grass in the strip. Thus, what is now the principal eyesore of the community may in a few short months be a real beauty spot.

HOW IT LOOKS FROM A CORNER

By BILL KATZ

I'll Take Tibetan Soccer Santa Claus, bless him, is having a hard time keeping his dates straight. This is evident by the appearance of all the Christmas paraphernalia (from aluminum Christmas trees to singing commercials on a "TV Christmas") weeks before the days St. Nick is supposed to pop down your chimney.

Each year someone, no one knows who, decides to move up the preparations for Christmas a few days earlier. This is to give the shopping public an opportunity to buy all those gifts in plenty of time before the buying rush.

Over the past two years there has been some effort to shove Christmas buying back to July. However, this hasn't proved successful. Who can afford a silver plated toenail clipper for rich Un-

Santa Claus To Visit Children In Daly City Dec. 17

Santa Claus will be coming to town via the Daly City Eagles Hall, 3346 San Diego, December 17.

The old gentleman will be presented to the children by members of both Colma-Vista Grande Aerie No. 1848 F.O.E. and the auxiliary. Santa will be assisted by his entire staff of helpers plus a huge array of entertainers.

From noon to 6 p.m. Santa Claus will be at the hall to meet all children UNDER 12 years-of-age. Whenever possible the younger children are asked to come early in the day while the older boys and girls meet Santa in the evening.

A really grand day is planned for the children with plenty of gifts and extra surprises for the youngsters.

All children must be escorted by an adult.

Further details will be found in next week's Record.

Trio Rob SF Man Near DC Drive-In

A pre-Thanksgiving day celebration ended for a San Francisco man early last Thursday in a one way ride with two men and a girl.

Harry Olson, 874 South Van Ness, stumbled into the service station at 87th and Junipero Serra at 3:50 a.m. Thursday mulling to the attendant that he had been robbed of \$180. Olson's face was bleeding and he appeared to have been drinking, police said.

After six stitches had been taken in his lip at Junipero Serra hospital, Olson told officers the following story:

Goes To Bar He had left his home at 8 o'clock that evening and gone to a bar on Market street. After a "few drinks" he had picked up a girl who suggested they take a cab to San Mateo county.

After driving to Burlingame, the young blond decided she wanted something to eat. Olson ordered the caddy to take them to the Colonial Drive Inn on Junipero Serra.

The couple were eating when two men walked into the restaurant. Olson's "girl friend" recognized the men, and shortly afterwards she suggested that Olson accompany the three of them to a trip.

Also got into the back seat of their car, and after they had driven a few miles the man stopped the car. One of the men climbed into the back seat, struck Olson and removed his wallet containing \$180. The trio then dumped Olson and sped away.

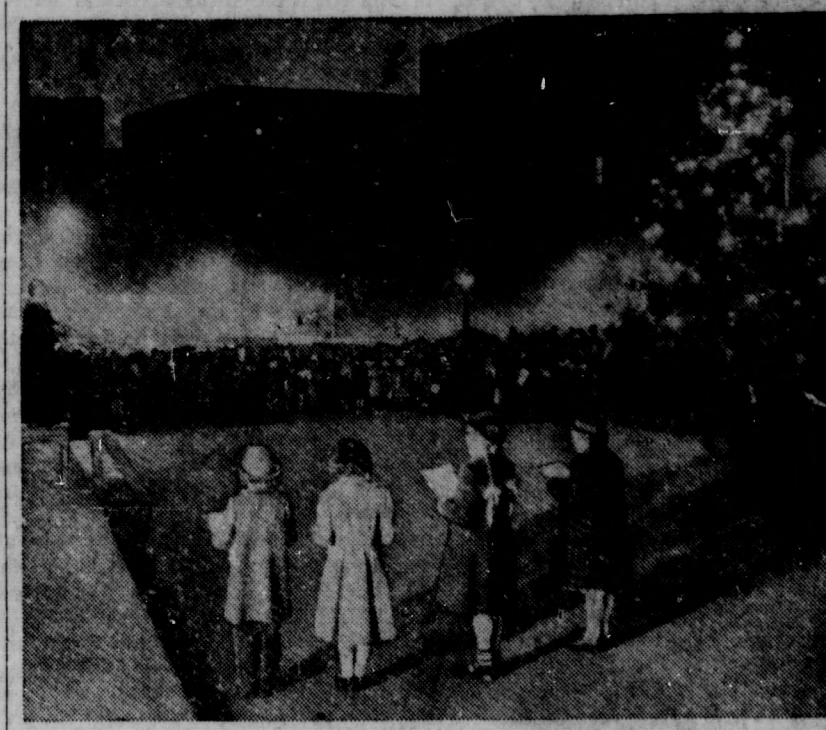

As the robbery took place both in San Francisco and San Mateo county, Daly City officers have turned the case over to the San Francisco police and the Sheriff's office.

DC WOMAN AWARDED \$4,000 FOR INJURIES

A San Francisco jury last week awarded Mrs. Gertrude Jones, 65, 458 Templeton, \$4,000 in damages for injuries she suffered July 11, 1949, on a San Francisco Municipal bus.

The long time Daly City resident was represented by Attorney Thomas L. Bocci Jr., 6654 Mission street. The case was heard before Judge Deasy.

Mrs. Jones claim for injuries was based on a sprained back and hip, multiple contusions of the leg and a broken toe, Bocci said.

IMPRESSIVE CEREMONY . . . The Rev. Hugh Giles (left, on stand), minister of music at the Central Presbyterian church in New York, is shown leading the carol singing which marked the lighting of the Christmas trees on Park avenue last year. Six hundred persons joined the choir of five churches as the 30 trees lining the avenue were lighted and dedicated in honor of U. S. war dead.

SMITH TO APPEAL "QUARRY CASE:" CLAIMS JUDGMENT TOO LOW FOR LAND

Denied a motion for a new trial or the quarry case, H. H. Smith today said he would appeal to the District Court of Appeals.

The former Daly City Mayor called for a new trial shortly after September 7 when Judge L. R. Avilla ruled the city of Daly City should pay no more than \$4,465 for a 400 foot strip of land through Smith's quarry from Brunswick to Hillside boulevard. The settlement was \$557 less than the city offered Smith for the property when the case opened July 20, 1949.

Court Adamant Smith based his appeal for a new trial on the contention that the land is worth much more than \$4,465. The court saw otherwise, and last week Judge Avilla stood by his first decision and refused the new trial.

"This should be a shock to the whole community," Smith said today. "My land is worth much, much more than the court seems to think."

Smith had requested \$47,040 for the property and \$159,234 severance damages. He based damages on the assertion that if the city cuts through his quarry it will make it worthless for a proposed million dollar motel.

The city claims it needs the quarry strip to connect Brunswick and Hillside boulevard. Presently it is impossible to get to the south east section of Daly City from the vicinity of city hall without first going down to Mission.

Roy Reese, Smith's attorney, said the appeal will be made sometime within the next 10 days.

Frank Blum, city attorney, is representing Daly City in the case.

EDGEWOOD TERRACE GROUP TO MEET DECEMBER 7th

New officers for the coming year will be elected at the next regular meeting of the Edgewood Terrace Civic Association Thursday, December 7.

The meeting is to be held at 3 p.m. at Jefferson High school. All residents of the Edgewood district, as well as any other interested citizens, are invited to attend.

Another major move at the meeting will be to change the name of the organization to the Terrace Manor Civic Association.

JEFFERSON INDIANS HOST LIONS IN GRID FINALE TODAY

Second Place Is Prize Of Battle

By ROY HURLBERT

Second place in final Peninsula Athletic League standings is at stake today as Jefferson's Indians tackle the Lincoln Lions of San Jose in the season grid finale for both teams.

Links In Third Kickoff is at 2:45 on the Jefferson High Field.

The Lions come to town sporting a campaign record of 6-2. In league play, the Links have five wins and two losses and third place behind Palo Alto (7-0) and Jefferson (6-1), in that order.

Coach Glenn South's Tribe still has an outside chance to officially share the PAL championship. But Palo Alto, 21-0 conquerors of the Indians, must lose today to San Mateo in Palo Alto. And this doesn't figure to come about.

Records Similar Lincoln and Jefferson, who have at each other this afternoon, have strikingly parallel slates. The majority of their wins haven't been on the overwhelming side.

Against like foes, the Daly City eleven would get the edge on paper. But on the field it may be another matter.

Lincoln's league defeats were to Palo Alto, 37-7, and Sequoia, 14-0. Jefferson bowed to all-conquering Palo, 21-0, their only setback in eight games. The Indians trounced Sequoia 25-0, but Lincoln met the Cherokees when the Redwood City team was more mature.

The cards are stacked quite evenly in comparing other items.

Slates Compared Lincoln disposed of Burlingame, 23-0; Jefferson dumped the Panthers, 25-7. The Lions beat Willow Glen, 14-7. The Tribe stopped the Rams, 14-6. The visitors trampled San Jose, 12-7; Jefferson tripped the Bulldogs, 20-12. Lincoln thumped South City, 19-6; the Indians just did get over the Warriors last week, 14-13.

In non-league openers, Lincoln blasted Campbell, 26-9, while Jefferson humbled Mountain View, 20-9. And Mountain View routed Campbell, 28-0.

On Monday, the Lions bumped San Mateo, 8-0, in a makeup game. Jefferson cooled the Bulldogs, 26-14.

So, as past performances bear (Continued on Page 2)

Jeff Frosh-Sophs, Bowl Bound?

Optimistic McGrath Expects Bid

A Daly City football team may spend New Year's Day in a post-season bowl game, the Record learned today.

The news came from Jefferson frosh-soph coach Joe McGrath who reports that his Braves expect a bid at any moment.

The former St. Mary's Gael revealed that he is considering several offers, but, as yet, "things are indefinite."

Expects Bowl Bid "I don't know right now where we will play," McGrath excitedly said, "but I'm pretty certain we'll be single-winging somewhere come New Year's Day."

Speculation is a bit cloudy since the major bowl opponents are already accounted for. The Rose, Sugar, Sun, Orange, and Salad Bowls already have been filled with entries.

Although nothing is definite, the Braves may get a crack at the University of Idaho, January 2, in Boise's Potato Bowl.

Challenges Varsity "I don't see how we can be left out of a post season classic," McGrath blurted. "We aren't in the national rankings, but some of

Small Knife Wound Leads To Solution Of DC Burglaries

A 14-year-old boy who accidentally cut himself with a jack-knife Saturday night led to the solution of three recent burglaries in Daly City, police report today.

The Daly City boy was playing with the knife in a fraternal hall when it slipped and cut his knee. Police were called to take him to Junipero Serra hospital for treatment.

On the way to the hospital Sgt. Roy Beecher and Officer Charles Munday noticed that the knife was similar to one stolen in the burglary of Cook's Appliance store, 6181 Mission, last Tuesday night.

Admits Burglary After the boy was treated at the hospital, police questioned him as to where he had gotten the knife. Several hours later he broke down and admitted that he and another 14-year-old Daly City boy had burglarized Cook's of almost \$100 in ball point pens, knives, key chains and other such items.

He also implicated a third 14-year-old boy whose basement has been used to keep the stolen property.

Further questioning revealed that the three youths were also responsible for the burglary of Daly City Pet Shop, 6277 Mission, October 27, when \$52.25 in appliances were stolen.

Hillside Fish Grotto, 6644 Mission, October 29 when six cartons of cigarettes and three cases of beer were taken.

Police today have recovered most of the loot from the three burglaries. The three boys are in the custody of their parents pending investigation by the juvenile department.

Binsacca Elected As Teacher Head

Victor G. Binsacca, Jefferson High school teacher, today is the new president of the San Mateo County Teachers Association.

Prominent in county school affairs, Binsacca was elected to the post at the Teachers Institute in Burlingame last Wednesday afternoon. The conference was attended by 1,800 educators.

Other officers elected included: Mildred Berklow, Burlingame elementary schools, vice president; Jay Reeves, San Carlos, secretary; Jeannette Jennings, Burlingame High school, reelected to treasurer.

COMMUNITY CENTER TO BE DEDICATED SATURDAY, DEC. 9

Dedication ceremonies for the new \$298,000 Community Center building at Alp and Mission streets will be held at 11 a.m. Saturday, December 9.

At that time city officials and dignitaries will turn the first shovel of dirt for the building they fought so hard to obtain. It is expected that a day or two later actual work will begin on the modern building.

Looks Ahead The progressive Brave mentor already is looking to next year. "I intend to book a first class schedule and plan to meet the varsity at the end of the schedule in our on-campus Big Game."

"There have been a lot of rumors that we go out after our boys here at Jefferson, but that isn't true. I want to publicly state that none of the members of my team get paid for playing."

(EDITOR'S NOTE: McGrath certainly is optimistic in the matter of a bowl bid. The Jefferson frosh-sophs have a record to date of two wins in five games. This doesn't include the result of their final Peninsula Athletic League game with South City yesterday.)

DALY CITY TO BE PREPARED IN CASE OF A-BOMB OR OTHER TYPE OF ATTACK

City, County Officials Meet To Discuss Civilian Defense Plans

Daly City officials will meet with the county board of supervisors and civilian defense heads tonight to discuss means and ways of protecting the area against any eventual attack.

It is expected that out of the meeting will come some concrete action concerning the future role of civilian defense in the Daly City area.

To date the city has formed a skelton defense unit made up of city employees and members of veterans' organizations. Each of the members of this defense council has instructions as to what he, or she is to do in case of an emergency. Whether or not they are to be given special training still has to be decided.

Block Wardens Mayor Paul Green, who heads the civilian defense council, was not available for comment today on the state office of civilian defense announcement that wardens for every city block are soon to be recruited. However, it is expected that if this plan is generally adopted, Daly City will follow suit.

Richard Graves, executive secretary of the League of California Cities, said there is a "compelling necessity to have a warden in every block to take Red Cross training now available and to get civilian defense instructions and pass them to every family in their areas."

Under the disaster council's plan, the warden system will be set up by city and county governments according to state standards and instruction.

Meanwhile, it is expected that Daly City schools as well as those in the county will take action to acquaint students with techniques and practices for their protection against A-bomb or other attacks.

Point Cleared With this point clarified the Joint Highway Division agreed to San Francisco's demands. Now nothing remains to be done but clear the matter with the Public Utilities Commission, and Weymouth said this would be accomplished by Friday.

Eaton and Smith, contractors, are working on the job of putting in badly needed signals at both the intersection of Highway No. 1 and Junipero Serra and Skyline boulevard.

San Francisco has no objection to our burying the 54 inch pipe 15 feet as long as we will agree to keep it in repair," Weymouth explained.

Council Approves Post Office Site

Clearing the way for a new post office building in Daly City, the city council Monday night rezoned the proposed site for the structure from residential to commercial.

The modern stucco frame one story building is to be constructed by A. R. Haskins, 6995 Mission street, at the corner of Mission Circle and Belpier. John F. Fixa, San Francisco postmaster, said the building should be opened by March 1, 1951.

New headquarters for the city's post office will be the solution to a problem all too evident to Christmas shoppers who fight for space in the present cramped office on Mission street.

DECEMBER 7, 1941

Nine years ago on December 7 a hail of bombs fell out of the sky over Pearl Harbor. When the sneak attackers had flown away the greater part of our Pacific fleet lay badly crippled and our smug assurance of safety had suddenly vanished. We awoke in that hour to the realization of the kind of world we were living in.

In that hour America suddenly "grew up"—came face to face with her world responsibilities and the tragedy of her easy going ways. The ordeal of nearly four years of war with its great losses and sacrifices further matured our nation and largely destroyed any lingering belief that we could live independently of the rest of the world.

Since then we have retrogressed in some respects. When the war was over we hastily dismantled our war machine. We turned back to peace time living with an amazing disregard for the dangers that still lurked about us. Even when these dangers became more apparent our lethargy prevented us from taking proper action. Then came another "Pearl Harbor"—this time in Korea. The rest of the story needs no retelling.

The nine years since December 7, 1941, have been hard years—years without peace and without much hope for peace. But if at last we have learned the lesson of eternal vigilance, if at last we have learned that in this way only can we survive we shall have gained more than we have lost since that "day of infamy."

HUNTING SEASON

This is the time of year when college alumni go on the war path and cry for the scalps of floundering football coaches. And they usually get their scap. One of the most prominent victims this fall is Bernie Bierman who has served as head man at Minnesota for the past 16 years. Actually, Bierman quit of his own accord. But his resignation came after the worst season the Gophers have had since he took over. Denny Meyers of Boston College has also thrown in the sponge and even Blair Cherry with a championship team at Texas is quitting. In spite of this year's success Cherry said flatly that he was tired of the alumni abuse he had taken in the past. Many lesser coaches will also make a "change." But in spite of the hazards and headaches involved in the rugged art of football coaching you may be sure that for every job open there will be a score or more brave men to apply for it.

W'Lake Residents Prepare To Enter Christmas Contest

Westlake residents were busy this week planning to take part in the Christmas Home Decorations Contest that has a \$350 jackpot in cash prizes as its goal.

The contest, announced last week by Henry Doelger, will be under the supervision of the residents themselves. That is, the Westlake Property Owners Association. Judges and all other officials will be members of the Association.

Everyone can take part in the yule decorations as prizes are to be awarded for originality and interpretation of the Christmas spirit, and not on how much money was spent to put up the decorations.

Yardsticks

"Novelty and creative ability are the two principal yardsticks by which we'll judge the winners," Dr. George Gibson, president of the Association, said today.

An early announcement will be made concerning the day the decorated homes will be judged as well as the name of the judges.

The grand prize will be \$100, with \$75 and \$50 going as second and third prize respectively. However, there will be numerous other winners who will cash in on the \$125 worth of merchandise prizes.

Abbott Street Folks Stage Get-Togethers

A "neighborhood get-together" is what organizer Mrs. Eleanor Doyle calls occasional meetings of folks in the Abbott street district of Daly City.

For the past three months, Mrs. Doyle reports, folks in her area stage frequent meetings "to discuss neighborhood problems."

Post Office Site Approved By City

(Continued from Page 1)

Parking Meters

The only other important business before the council Monday night was to grant David Hansen and Joseph Intaschi each a month's pay. Both men are city employees now with the Marines on the Korean front.

Following the regular meeting, the councilmen adjourned to hear several complaints concerning the new parking meters and parking arrangements. Orrin Wendling, city administrator, noted that the discussion proved successful in ironing out the complaints.

County Home Bldg. Cut By Regulation

Daly City home building, with the possible exception of Westlake, is feeling the pinch of Regulation X, a recent government ruling requiring larger cash down payments on homes.

Applications submitted by contractors to the San Mateo County FHA office asking loan commitments totaled 310 last week, as compared to a normal pre-regulation week load of 750.

"We parents get better acquainted through these meetings and iron out neighborhood problems," Mrs. Doyle indicates.

To date, the unofficial club consists of 12 members. Besides Mrs. Doyle, there are Mesdames Mildred Radkowski, Lillian Cain, Stella Sidell, Jerry Vickers, Edna Millie, Ann McNeeley, Wilma Van Aken, Doris Olmanson, Lorraine Bavoro, Louella Jackson and Pat Urbanos.

HOW IT LOOKS FROM A CORNER

By BILL KATZ (Continued from Page 1)

Moneybags' Christmas gift when the family's July Budget is geared for cool, cool beer?

Despite the defeat of July shopping for Christmas, the lads in the know (don't ask us what they know), have connived and plotted so that most of us are aware of the hazards of Christmas about mid-November. Gradually they bring up the idea that it is better to give than receive... but the more you give the more you'll get.

Of course there was a time when gift giving wasn't as important as it is today (least ways this is what the historians and my grandfather claims). Fact is that not too many years ago some people remembered that Christmas was to celebrate the birth of Christ.

But like the simple are of enjoying life this quaint notion of Christmas has gone the way of all myths. Christmas, 1950, is the wholesale employment of the "shakedown." I'll give you something, but let me find a gift under my Christmas tree from you.

As any commercial happy listener can tell, Santa Claus has to hit town at least one or two months ahead of December 25 to take all the orders for the big day. It's too bad because by the time Christmas rolls around you're so sick of looking at Santa's happy puss and the little envelopes with windows that you'd gladly exchange the holiday for a spot on the Tibetan soccer team where December 25 is just another day and Santa Claus can't be pronounced.

We Predict

There's been a lot of talk recently about big crime in California and throughout the nation. In some cities it's actually been proved, and the populace have been aroused to the point of closing down joints where they themselves go every day. Heads have also rolled in the police departments and a few minor officials have been boosted out of city halls.

Well and good, we say, but is it enough just to talk about sin without taking steps to kick the really big boys downstairs? It's like combating Satan with a leaking garden hose. You'll probably cut down some of his fire and "brim" but you're not going to do much about putting out the warm fires in his headquarters.

We predict (everyone else does, so why can't we) that by the time all this talk about crime is over that Mickey Cohen, and possibly his armored car, will still be doing business in Los Angeles and Bones Remmer will be popping in and out of San Francisco's night clubs with all the cops still bowing at the doors.

This is one prediction where we'd welcome a good sound defeat. Adventure On A Raft We ran across a sure solution to that Christmas problem concerning what gift to buy the man who has everything. The gift can be sampled at the Daly City Library between the covers of the best selling "Kon Tiki" by Thor Heyerdahl.

Now we grant that not everyone likes to read, but this is a book that will please even the man whose only literary taste is the sports page or the stories in Esquire, or for that matter any other man's magazine or newspaper. It's equally good for Uncle Sud whose a literary professor at Harvard.

Briefly, the book is the true story of how six men (five Norwegians and a Swede) set out to prove that the Polynesian Islands were settled by ancient Peruvians. According to the theory of the author, the Peruvians, under the leadership of the legendary sun king, Kon Tiki, sailed 4,300 miles on a raft from the coast of Peru to the Polynesian islands.

When the author voiced his theory, the experts laughed him down. They claimed it was impossible for anyone to make such a hazardous voyage on a flimsy raft. With their laughter in his ears, the author set out to prove they were wrong. And that is the story of "Kon Tiki"... the voyage of six men across the Pacific on a primitive raft made of 40 foot balsa logs and tied together with nothing but rope.

For sheer adventure this is probably the best book to appear since the daring exploits of the late Richard Halliburton. And for once we'll agree with the blurb on the jacket of the book which is: "On every page of this true record—from the actual building of the raft through all the dangerous and comic adventures on the sea to the spectacular crash-landing and the native islanders' hula dances—each reader will find a wholesome and spellbinding escape from the twentieth century."

To which we add... "A Men."

Indians Host Lions In Grid Final

(Continued from Page 1)

out, today's clash could go either way.

Lincoln can match Jefferson's single wing gyrations today with a few fancy maneuvers of their own. The Lions operate off both the T and single wing and their attack is versatile.

Best Back

The PAL's best all-around back, Jimmy Unger, is the spearhead of the Lion offense. An All-PAL choice last year, Unger is a shifty runner and shares Lincoln's passing game with quarterback Wally Perry.

Right halfback Sam Bruno and fullback Jim Houston are other lads who can move with the pigskin when called on.

All-PAL candidates Ron Moro, 204 pound right tackle, and Roy Krickeberg, 205 pound right guard, are the sparkplugs of Lincoln's forward wall. Jefferson will have about an eight point weight edge in line weights.

South's outfit is eager to make up for last week's dismal showing against South City. The Tribe got a bad game out of their system and should be up for this one.

Trio Ready

Jefferson's Big Three of Bob Gallagher, Max Klien, and Ray Tschirgi should be in sound shape for the finale.

In the last two games, the trio couldn't work as a unit as they had in earlier encounters. Klien sat out the entire Palo Alto game and saw limited duty against South City.

His bad ankle should be healthy again and Tschirgi's troublesome knee is on the mend. Both injuries hampered the Indian ground game and Jefferson suffered in proportion.

Izi Galente, Klien's stand-in at right half, and Chuck Tienken, Tschirgi's capable replacement, should get their share of ball-packing this afternoon. Both juniors are labeled for first string jobs next year.

Senior Farewell

Eight Indian regulars play their last game today. These are Vic Baher, Mansel Roland, Rich Harrison, Bob Lagomarsino, Jack Wilson, Pat McCool, Gallagher and Klien.

Reserves whose varsity careers end this afternoon are Dave Cafferta, Leo Giannecchini, Bob Kalinin, and Vic Roggenbusch.

A Jefferson victory would give Jefferson its greatest season from a win-loss standpoint. Should Lincoln get the nod, they will finish in a deadlock for second place.

In these uncertain days it's wise to buy a rugged truck that can roll with the punches for years to come. Big fleet operators who keep careful check on all makes of trucks tell us that GMC's are consistent standouts for long life with minimum maintenance.

That goes for all GMC's from 1/2-ton models up. Many GMC Diesel truck-tractors are still highballing loads with more than a million miles of over-the-road service behind them.

The reason is—every GMC is all truck! Every GMC is designed by truck engineers for truck service with 100% truck-built parts. You get a real truck engine with high horsepower and higher sustained torque—more pull—an engine that delivers full power without eating its heart out!

There are many other extra-value reasons why a GMC is your best buy for the long haul. We'll be glad to give you proof!

Daly City Trio Attends Regional Scout Conference

Three Daly City delegates were among 1200 representatives who attended a three-day regional conference of Girl Scouts of four states and the Pacific Islands at Riverside, California, November 7-9.

Local Scout leaders Mrs. R. Galadaya and Mrs. R. Vanderbuilt accompanied senior Scout Carle to the conference with other Scout representatives from Arizona, California, Nevada, Utah, and the Pacific Islands.

The Daly City trio participated in group discussions on the overall Girl Scout program, its development, policies and standards, and its function as an organ of international friendship.

A colorful pageant, presented by the Riverside hostess council, climaxed the sessions. Native songs and dances of many countries highlighted the pageant.

Mrs. C. Vaughn Ferguson, national girl scouts president, opened the meeting with a welcoming address. She pointed out the importance of the Girl Scout movement and its many benefits... self-reliance, leadership, and spiritual well-being.

Mrs. Frederick S. Hirschler, regional chairman, revealed that there is at present a total membership of 163,000 Girl Scouts in the four states and islands represented at the meeting. The figure represents a 15 per cent increase in the region over the past year.

Nation-wide policies of the organization were explained and interpreted by a panel of Girl Scout national staff headquarters members. They emphasized the fact that membership in the Girl Scouts is voluntary and open to every girl and adult, irrespective of racial, religious, economic, or other differences.

Several reports were made by individuals who took part in international Girl Scout projects in the recent past.

Daly City Angler Lands Tagged Fish

A fish got caught for the second time recently when Daly City angler William F. Higgins, 146 Woodrow street, hauled in a striped bass in Frank's Tract, a favorite spot.

Higgins was notified by the State Division of Fish and Game that the same fish was caught and tagged on April 15 at Shad Landing.

Anglers returning tags found on black and striped bass are helping to provide important information for the continuous research conducted by the Bureau of Fish Conservation.

DC Woman Claims \$10,150 Damages

Claiming she received severe injuries when thrown to the floor of a San Francisco bus May 10, Mrs. Emma Will, 4, 822 Huron street, this week filed a damage suit for \$10,150.

The City and County of San Francisco was named as defendant in the case.

Mrs. Will asserts that when the bus stopped suddenly she struck the floor. As a result of the accident she allegedly suffered concussion, severe cuts of scalp, back injuries and injury to the right leg.

The plaintiff is being represented by the law offices of Thomas L. Bocci Jr., 6654 Mission street.

OBITUARY

F. J. Millhauser

A resident of Daly City for the past 40 years, Fred J. Millhauser, 69, died Monday afternoon while at work at the Mullen Manufacturing Co. in San Francisco.

Millhauser, a mill worker, suffered a heart attack. He was dead before the ambulance arrived at the plant.

The Daly City man, who recently moved to San Francisco, was well known in this area, and was a member of the Millman's Union Local No. 42.

He is survived by his widow Mrs. Sigrid Millhauser, 1578 Great Highway San Francisco, and a son Fred C. Millhauser.

Private funeral services were held Wednesday at the W. C. Lasswell & Company chapel. Interment was at Cypress Lawn Cemetery.

San Francisco had 417,133 telephones in use on January 1, 1949.

Burglar Gets \$202 From Spud Nut Shop

A burglar who appeared to know just what he was after and where to get it, broke into the Spud Nut Shop, 6714 Mission, last Sunday night and stole \$202.

The thief smashed a weak lock on the back door of the Shop, opened the door and went directly to a desk in the rear of the establishment. Opening the desk he took out a small metal box and emptied it of \$200.

On the way out the burglar removed \$2.50 from the cash register. Jan Kruk, manager of the store, reported that nothing but the money had been taken police said.

ANTICIPATION AND DRIVING
If anticipation is half the fun of a feast it is also half the battle of safe driving, points out the National Automobile Club. When driving, anticipate the actions of the other fellow and you won't so frequently find yourself in these tight spots that call for catlike reactions to avoid disaster.

DON'T DAYDREAM AND DRIVE
Don't daydream while driving, advises the National Automobile Club. If a child darts out from behind a parked car or a truck suddenly lurches out from a side road, your pleasant daydream can easily be turned into an unpleasant nightmare.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SAN MATEO

Action brought in the Superior Court of the State of California, in and for the County of San Mateo, and the Complaint filed in the office of the Clerk in said County.

CHARLES T. ROWLEY and MARION M. ROWLEY, his wife, and EMMA QUESTONI, Plaintiffs,

vs.

JULIUS BACHARACH and EVELYN BACHARACH, his wife, RAY T. MASINI and ALICE G. MASINI, his wife, MARGHERITA MASINI, also known as MARGHERITA MASINI, CORPORATION OF AMERICA, a corporation, as trustee, BANK OF AMERICA NATIONAL TRUST AND SAVINGS ASSOCIATION, a national banking association, CITY OF DALY CITY, a municipal corporation, and all other persons unknown, claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto.

Defendants.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO:

JULIUS BACHARACH and EVELYN BACHARACH, his wife, RAY T. MASINI and ALICE G. MASINI, his wife, MARGHERITA MASINI, also known as MARGHERITA MASINI, CORPORATION OF AMERICA, a corporation, as trustee, BANK OF AMERICA NATIONAL TRUST AND SAVINGS ASSOCIATION, a national banking association, CITY OF DALY CITY, a municipal corporation, and all other persons unknown, claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto.

Defendants.

You are hereby directed to appear and answer the complaint in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the County of San Mateo, within ten days after service of this summons on you if served within this County, or within thirty days if served elsewhere.

And you are hereby notified that unless you appear and answer as above required, the said plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

The object of this action is to make said defendants above mentioned set forth the nature of their claims or claim to the said real property in said complaint, and hereinafter described, if any they have, and that such claims or claim be adjudged to be without right, and that it be determined that said defendants, and each of them, have or has, no right, title, estate, lien or interest in said property, and that plaintiff's title to said real property, and the whole thereof, be quieted against each and all of said defendants, known or unknown.

The said real property consisting of all that certain piece of real property lying and being in the County of San Mateo, State of California, more particularly described as follows, to wit:

PARCEL 1.

BEGINNING at a point on the Southerly line of Lot 4 in Block 9, as designated on the map entitled "Map of the Lands of Abbey Homestead Association," which map was filed in the office of the Recorder of the County of San Mateo, State of California, on January 2, 1872 in Liber 15 of Deeds at pages 2 and 3, and a copy thereof entered in Liber 1 of Maps at page 14, said point being distant 60 feet Westerly from the Southerly line of said Lot 4, and being measured along said Southerly line of Lot 4; thence from said point of beginning North 87° 41' 30" East 58.06 feet along said Southerly line of Lot 4 to a point; thence Westerly and Southwesterly on the arc of an arc of a curve to the left, having a radius of 100.42 feet and tangent to the last mentioned line at the last mentioned point, 60.92 feet, more or less, to its intersection with a line drawn Southerly parallel to the Westerly line of Lot 4 from the point of beginning; thence Northerly along line so drawn 18 feet, more or less, to the point of beginning. Being a portion of Bismark Street as shown on the above mentioned map.

PARCEL 2.

BEGINNING at a point on the Southerly line of Lot 4 in Block 9, as described on the map entitled "Map of the Lands of Abbey Homestead Association," which map was filed in the office of the Recorder of the County of San Mateo, State of California, on January 2, 1872 in Liber 15 of Deeds at pages 2 and 3, and a copy thereof entered in Liber 1 of Maps at page 14, said point being distant 60 feet Westerly from the Southerly line of said Lot 4, and being measured along said Southerly line of Lot 4; thence from said point of beginning North 87° 41' 30" East 58.06 feet along said Southerly line of Lot 4 to a point; thence Westerly and Southwesterly on the arc of an arc of a curve to the left, having a radius of 100.42 feet and tangent to the last mentioned line at the last mentioned point, 60.92 feet, more or less, to its intersection with a line drawn Southerly parallel to the Westerly line of Lot 4 from the point of beginning; thence Northerly along line so drawn 18 feet, more or less, to the point of beginning. Being a portion of Bismark Street as shown on the above mentioned map.

Doelger's Radio Show To Feature Christmas Music

Entering into the spirit of the Christmas season, the Henry Doelger Builder Inc. regular radio show over KJBS will feature the music of the holiday season beginning this Sunday night.

The program, usually heard from 3 to 3:15 p.m., will move up to 10:15 to 10:45 p.m. for the next four pre-Christmas Sundays.

During the half hour, Doelger has arranged for a program of classic and light classical music which will put everyone into a frame of mind to possibly forget for a few minutes the critical world situation and enjoy the spirit of Christmas.

World War II

"This year, as no year since World War II, I feel the real need or entertainment which will make as all cognizant of the true meaning of Christmas," Doelger said.

The program this Sunday will feature music to please the whole family from a few Christmas carols to excerpts from the great masters.

In the Sundays to come the emphasis will be more and more on the Christmas carol.

For an evening of real entertainment don't forget to tune in on the Westlake Christmas program this Sunday and every Sunday until December 25 over KJBS from 10:15 to 10:45 p.m.

Long Delay Seen In PG&E Higher Rate Request

Indications were today that no one need worry about an immediate hike in the rates of gas and electricity... at least until after the first of 1951.

Pacific Gas and Electric Company has asked for an increase of \$18,275,000 a year. C. T. Mess, head of the commission engineers working on the application, said today that due to an increase of work before the commission he would be unable to present a formal study of the case until the end of March.

Sidewalk flower stands have brightened San Francisco's streets since the 1880s.

SUMMONS

No. 53035

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SAN MATEO

Action brought in the Superior Court of the State of California, in and for the County of San Mateo, and the Complaint filed in the office of the Clerk in said County.

MARGHERITA MASINI, Plaintiff,

vs.

CITY OF DALY CITY, a municipal corporation, and all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto.

Defendants.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO:

CITY OF DALY CITY, a municipal corporation, and all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto.

Defendants.

You are hereby directed to appear and answer the complaint in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the County of San Mateo, within ten days after service of this summons on you if served within this County, or within thirty days if served elsewhere.

And you are hereby notified that unless you appear and answer as above required, the said plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

The object of this action is to make said defendants above mentioned set forth the nature of their claims or claim to the said real property in said complaint, and hereinafter described, if any they have, and that such claims or claim be adjudged to be without right, and that it be determined that said defendants, and each of them, have or has, no right, title, estate, lien or interest in said property, and that plaintiff's title to said real property, and the whole thereof, be quieted against each and all of said defendants, known or unknown.

The said real property consisting of all that certain piece of real property lying and being in the County of San Mateo, State of California, more particularly described as follows to wit:

That portion of East Moltke Street beginning at the Southwesterly corner of Lot 4, Block 24, as such lot and block are shown on that certain map entitled "Map of the Land of the Abbey Homestead Association," filed in the office of the County Recorder of San Mateo County in Book B of Maps at page 43; thence from said point of beginning N. 87° 41' 30" E. along the southerly boundary line of said Lot 4, 97.78 feet to a point, said last mentioned point being distant westerly thereon 2.22 feet from the Southeast corner of said lot; thence Westerly and Southwesterly on the arc of a curve to the left having a radius of 129.06 feet and tangent to the last mentioned line at the last mentioned point 62.99 feet to a point; thence Southwesterly on the arc of a curve to the right having a radius of 125.00 feet and tangent to the last mentioned curve at the last mentioned point, 39.57 feet to a point on the Westerly boundary line of said Lot 4 produced Southerly; thence N. 2° 16' 00" W. along the last mentioned boundary line produced, 27.84 feet to the point of beginning, CONTAINING 1137 square feet, more or less, and being a portion of East Moltke Street as shown on the above described map.

WITNESS MY HAND AND THE SEAL OF THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO, This 25th day of October, 1950.

Prison Escapee Is Trapped In Daly City

Robert R. Miller, 19-year-old Daly City youth awaiting sentence for the September burglary of the deLeon Music Store, made a break for freedom Wednesday only to be captured in the bathroom of the home of Mrs. Evanson, 150 First avenue.

As a trustee in the Redwood City prison, Miller had little difficulty in breaking away from the jail at 3 p.m. Wednesday. Details are lacking on just how he made the escape, although prison officials were aware of the break only a few minutes after Miller's hasty departure.

Daly City police were notified, as it was believed Miller was bound here to look up his girl friend. After combing the city and questioning all friends and relatives of the escaped burglar, police arrived at the home of Mrs. Evanson.

When they asked if Miller was there, Mrs. Evanson told them to go away, "I'm taking a bath." Becoming suspicious, Sgt. Roy Beecher entered through the back door of the home, took a seat near the bathroom door, and on a hunch called: "You might as well come out Miller, I can wait all night."

A few minutes later, just six hours after he had left Redwood City, Miller clouched out of the bathroom. Sgt. Beecher made the arrest and Miller was taken back to the familiar surroundings of the county jail.

NOTICE OF PROPOSED ZONING CHANGE

WHEREAS, pursuant to Ordinance No. 294 of the City of Daly City, California, Louis Polletti has filed an application for a rezoning of the following described property from C-1 to R-3:

YOU ARE HEREBY NOTIFIED THAT THE CITY COUNCIL OF THE CITY OF DALY CITY has set the time and place for hearing all persons interested in or objecting to said rezoning for Monday, the 11th day of December, 1950, at the hour of 8:00 o'clock P.M. of said day in the Council Chambers, City Hall, Daly City, San Mateo County, California, at which time the said Council will hear any evidence offered by any person interested in or objecting to said rezoning.

Said property is situated in the City of Daly City, County of San Mateo, State of California, and described as follows:

Lots 19, 20, 21 and 22, Block 1, Metropolis Tract.

B. C. ROSS, Clerk of the City of Daly City

Dated: November 27, 1950 (Publish Nov. 30, 1950.)

New affianced pairs include Alene Joan Aviani and Charles Walter Meyers, whose engagement was recently announced at a cocktail party held at the Fairmont Hotel, by the bride-elect's parents, Mr. and Mrs. Ernest J. Aviani of San Francisco. A February 3rd wedding date has been set.

Bank of America Xmas Club Checks Hit \$145,000 Here

Approximately 238,000 checks, aggregating more than \$25,000,000, are to be mailed December 1 to members of Bank of America's Christmas Club throughout California.

In Daly City and Colma, checks will be mailed totalling \$145,000 according to manager F. Erickson of the local Bank of America branch.

Mr. Erickson commented that this money, so conveniently accumulated during the past twelve months, should prove very welcome to the club members who find themselves in a better position to meet year-end financial obligations or make essential Christmas season purchases. He added that enrollments for the 1951 Christmas Club are now being accepted.

MANY SALMON

Large numbers of salmon have moved into the coastal streams of Mendocino County during the past week or two, according to the National Automobile Club. Catches have been generally good.

Bounce Your Way Into A Child's Heart At Christmas Time

Do you want to put new bounce into your child? Then, buy the little tike a pogo stick for Christmas.

While all the oldsters in the community will remember the kangaroo fashion type of transportation, it may be necessary to explain to the children that the stick is to be used as a toy and not as a bat to silence big brother.

However, once this difficulty is overcome the kids can have great fun bouncing up and down on the pole, or at least that's the claim of Mrs. J. Tollesen, 784 Templeton. She bought one of the poles for her 12-year-old daughter Jackie last year. It was an immediate success.

But now Jackie has turned to other pursuits and the pole lies unused in the Tollesen's basement. For the curious, and all elders not weighing over 120 pounds, the pole will be demonstrated at any time simply by calling Mrs. Tollesen who revealed to day she has it up for sale. There's also a pair of skates and a phonograph on the block.

Mrs. Tollesen's daughter's pogo stick may be seen simply by calling JUNiper 7-8234.

Postmaster Warns: Mail Xmas Cards, Packages Early

Postmaster John F. Fixa opened the Yuletide Season officially today by issuing his annual appeal for early mailing of Christmas greeting cards and gift packages.

The Postmaster expects a great flood of Christmas mail. He predicts it will equal or exceed the record-breaking 1949 holiday mails. "The deluge of Christmas mail will strain post office facilities severely," Mr. Fixa stated, "however with the public cooperating wholeheartedly we'll get everything delivered before Christmas day."

Christmas packages for distant States should be mailed by December 11th. All Yuletide parcel post should be on its way by December 15th.

Xmas Cards

Christmas cards to friends and loved ones out of state should be deposited not later than December 15th. Greetings for San Francisco delivery should click through the stamp cancellation machines at least a week before Christmas Day or not later than December 18th.

Preparations to handle this Christmas rush have already begun. The post office will train extra mail clerks and carriers, they are setting up new sorting tables and distribution cases, hauling out reserve mail sacks and servicing mail delivery trucks.

Simple Rules

To keep Christmas mail on schedule, Postmaster Fixa asks that you:

1. Stop at the post office next week to purchase extra stamps you're going to need, thus avoiding last minute crowds. When buying stamps for Christmas cards, bear in mind the desirability of sending the cards as first class mail at the postage rate of 3 cents per ounce. The rate for unsealed is 2 cents each.

2. Check and revise your Christmas card address list this weekend.

3. Lay in adequate supplies of heavy cardboard, sturdy outer paper, strong cord for wrapping parcel post. Packages are limited to 70 pounds in weight, and must measure more than 100 inches in length and girth combined. Place the name and address of the sender and addresses on a slip of paper on the inside of the parcel, also list the contents. This measure will identify the parcel and contents should the wrapper or package be torn or damaged in transit.

If you worry about the recipient peeking, Postmaster Fixa advises pasting "Do Not Open Until Christmas" stickers on packages and on the backs of greeting cards.

Ladies Eat Turkey; Thief Gets Jewelry

While Louisa M. Barnard and Flora Shea, both of 259 Los Banos were celebrating Thanksgiving away from home a burglar got away with \$223 worth of their jewelry.

Entering through an open bedroom window, the unidentified thief ransacked the two back bedrooms. The burglary took place sometime Thanksgiving day, police said.

The burglar's take consisted of \$33 worth of L. M. Barnard jewelry, and \$190 worth of jewelry, including a \$150 ring, belonging to Flora Shea.

Meanwhile, another theft last Tuesday night got away with about \$100 in small trinkets and merchandise from the Cook Appliance Store, 6181 Mission. The burglar entered by breaking a window of the south side of the store.

Warriors Scare Tribe In Big Game Thriller

INDIANS STAVE OFF UPSET WITH LAST PERIOD RALLY TO ANNEX TURKEY DAY BRAWL OVER SOUTH CITY, 14-13

McMahon, Wilson
Pace Comeback Win

By ROY HURLBERT

Bryan McMahon's perfect placement with 50 seconds to go saved the Jefferson Indians from complete disaster on Turkey Day as the Daily City eleven slipped past South City's battling Warriors, 14-13, in their Big Game traditional.

Indians Come Back

McMahon's unerring feat came as the anti-climax in the nerve-racking meeting viewed by an equally-pleased and disappointed partisan crowd.

For the Indians frankly were lucky to escape with their lives.

Trailing 13-0 in the final quarter after performing at their lowest ebb of the season, Glenn South's lads staggered to the narrow verdict, with two quick scores in the final nine minutes.

Tribe Muffs Chances

Previous to the Indian awakening, nothing seemed to go right for the locals. They actually handed the upset-minded Warriors of Ben Bramble their two touchdowns.

And just to be good hosts, the Tribe, time and again, muffed scoring chances in sight of pay-dirt.

South City's line shoved Jefferson all over the lot most of the time and Stan Perry's breakaway running presented a constant threat. Quarterback Henry Huerta made Jefferson's skippy pass defense even worse with tosses that kept his team driving into Indian territory.

Warriors Start Early

Except for that fourth quarter flurry, which co-captain Jack Wilson climaxed with a sensational pass-catch and run for 68 yards and the winning tally, South City had the erratic Indians in complete check. But even so, the Jefferson outfit didn't help themselves any, either.

In the first quarter, thanks to Huerta's 20 yard heave to end Ray Canziani, the winless visitors excited everybody by marching to the Jeff nine yard stripe in 10 plays. Pat McCool and Mansel Roland thwarted the movement by recovering a Warrior fumble on the next play.

Swivel-hipped Perry, the best back on the field Thursday, ram-bled around Jefferson's right end for 28 yards moments later, to the Indian 18, but a backfield in motion penalty nullified his fine advance.

Perry Scoots Over

Early in the next quarter Jefferson made their first of many bobbles. Bill Goss made things dangerous by punting to the Indian-4 yard line without a run-back. Seven plays later, Ray Tschirgi let the ball get away from him and the Warriors were 16 yards from the end zone.

One down was all South City needed as Perry headed off tackle without opposition for six points. Max Kilem batted down Huerta's pass for the extra point and the count was 6-0, the cellar-dweller leading and the audience surprised.

A mental miscue by Pat McCool with five minutes left in the half cost the Indians plenty. Reliable McCool mistook fourth down for third down and called for a pass from his own 21.

Bob's Pass Intercepted

The pass attempt failed and Jefferson surrendered the ball there in bewilderment. Stubby Hiperta pitched an 18 yard pass to Canziani on the two and Perry went off left tackle again for South City's second touchdown. Johnny Castro passed to Bob Oates in the left corner for the extra point, making it 13-0.

In the closing minutes of the first half, Vic Baher grounded a Warrior fumble on the Warrior 18. On third down, after a run and pass netted little, South City got out of trouble as Bob Gallagher's aerial to Hal Hazen was intercepted on the Warrior 8.

The same story prevailed in the third quarter. Baher got in the act again by scooping up a fumble on the South City 32. With third down on the 26, Gallagher again threw the ball, this time in the direction of Wilson, but an alert Warrior thiefed the pigskin and another Indian stampede was smothered.

Another Pass Theft

McCool and Hazen helped block a South City punt on the Warrior 44 with the third quarter almost gone. A 28-yard-end dash by Chuck Tienken and a pass, Gallagher to Izi Galente, put the Tribe on the 6. The inevitable happened for a third time. Wilson awaited Gallagher's pass, but he never got to it. The toss landed in the arms of a Warrior and the Jefferson boys were frustrated.

The law of averages must have caught up with master South's Indians in the memorable fourth

quarter. Taking a poor kick on the South City 24, they banged to their first touchdown in seven plays. Tschirgi pushed over right tackle for the score. McMahon's boot out of Ray Espinoza's hold was true and dimmed Indian hopes began to kindle anew. Only nine minutes left and Jefferson was behind, 7-13.

Next time the Tribe had the ball they went to the Warrior 34 but Tienken fumbled and that appeared to be Jefferson's dying gasp.

Indian's Get Equalizer

But Huerta got careless with the minutes ticking away and his upset-happy team on the verge of their first Peninsula Athletic League victory. He completed two passes, but somehow Jefferson took over on their own 42 with time going fast. And the Jefferson hearts going faster.

Gallagher then unloosed a fantastic flip to Wilson on the Warrior 35 where the senior co-captain eluded two Warriors and streaked to the touchdown—a 58 yard scoring play.

Coach Speaks

Blitzkrieg struck the already berserk Jeff rooting section when McMahon won the ball game with his second extra-point.

Coach South wanted it known that his lads played their worst game of the season.

"We really had an off-day. It's been a long time since a Jefferson team has played so poorly. We just made too many mistakes and didn't deserve to win. Our line charge was terrible. I guess the boys took South City too lightly after the Palo Alto game."

"You can bet we'll be ready for Lincoln next week. Surely, we couldn't have played a worse game than this one."

Statistics were as close as the score, but not indicative. Jefferson outdowned their guests, 7-5. The Indians aggregated 165 net yards to 135 for South City. Passing accounted for 69 yards for Jefferson and 62 for the Warriors. Gallagher attempted 12, completed 2, and had 4 intercepted. Huerta hit 4 for 11.

Perry was the top ground gainer with 96 yards on 10 carries. Tienken was the Indian leader with 67 yards in 10 tries.

Braves Smear Joseans, 27-12

Fullback Omar Grime's two touchdowns and his pass for another tally placed the Jefferson Braves to a 27-12 victory over San Jose's frosh-sophs Tuesday at Jefferson.

Jefferson scored four minutes into the first quarter, twice in the second period, and once more on the fourth quarter.

End Joe Lewkowicz caught a 15 yard pass thrown by Grimes for six-points, while left halfback Jim Stevens climaxed things with a touchdown run in the fourth period.

John Geersten kicked three out of four extra point attempts with Art Babadide holding.

Coach Joe McGrath's eleven completed its PAL season yesterday in South San Francisco against the Warrior frosh-sophs. The Braves' seasonal record stands at two wins and three losses. Victory in Tuesday's game was their first league triumph in four encounters.

The locals have a tentative date with the Poly frosh-sophs of San Francisco next week in their final outing.

Burlingame and Sequoia settled the PAL championship yesterday but results weren't available at press time. Both squads shared the lead with four wins and no defeats.

Sportsmen Slate

Dual Shoot Sunday

An open-to-the-public skeet and trap shoot is slated this Sunday, December 3, at the Lake Merced Grounds of the Pacific Rod and Gun Club.

The Associated Sportsmen of California, District Council No. 7, is sponsoring the affair to raise money to carry on their important legislative program in the 1951 session of the California legislature.

People will be put in shooting groups according to their caliber with prizes going to all winners. Poor shooters will compete against the deadeyes will face other deadeyes. Prizes range from hunting and fishing equipment to chicken and turkeys. Several local sportsmen have donated some very handy items as prizes.

Lewis & Clark Socks SF Gaters In Pear Bowl, 61-7

Little Joe Verducci and his San Francisco State Gaters came home from Medford, Oregon last week dragging their laurels behind them after receiving for a 61-7 shellacking from the powerful Lewis and Clark Pioneers in their Thanksgiving Day Pear Bowl game.

An estimated 5,000 people watched the unbeaten Oregonians rough up the Californians with apparent ease. From the beginning it was evident that the Northwest Conference champs were from the right side of the tracks and the Far West Conference boys weren't going to cross the rails. In so many words, the Gaters lost to a far superior team.

Lewis and Clark rolled to their ninth straight conquest with nine touchdowns. It didn't take the Pioneers long to make the outcome a foregone conclusion.

At the end of the first period, thanks to two Gater fumbles and a blocked punt, the gridirons from Portland had galloped ahead, 27-0. The winners tallied single td's in the second and third quarters, and finished strongly with three more six-pointers in the last 15 minutes.

San Francisco's snoutout-saver came in the third quarter on a nine-yard pass, Sam Devito to Elmer Gallegos.

Statistically, downs went 20-12 in favor of the Pioneers. Lewis and Clark rattled for 394 ground yards and 61 on passes. San Francisco State ran for 155 and got 73 by passing.

Pioneer tossers connected five times in 12 attempts, while the Gaters completed seven of 17.

Three of State's five lost fumbles resulted in Lewis and Clark scores. The Pioneers bobbled the ball twice.

The Portland contingent may get a bid to play in the Pineapple Bowl, January 1, against the University of Hawaii in Honolulu.

The Pear Bowl game was San Francisco State's final appearance this season, after their most successful campaign in history. Verducci's lads finish with six victories, two defeats, and the Far West Conference title.

The Pear Bowl shindig represented the first match of a five year pact between the Far West Conference and the Northwest Conference. Winners each year of the two circuits will meet at Medford in the Pear Bowl attraction.

S.M.J.C. DUMPS MENLO IN SOUTHERN DIVISION GRID FINALE, 19-7

Coach Herb Hudson and his San Mateo JC Bulldogs wound up last NCJCC season the proper way last Friday with a 19-7 victory over big rival Menlo.

It was the Mateans' second southern division win against three losses and represented the first Bulldog triumph over a Menlo football team in five years.

Quarterback Johnny Leal, San Jose prep sensation, paced the Bulldogs as he sneaked over late in the third quarter and minutes later passed nine yards to end Dick Yeager for another tally.

Fullback Spencer Fine scored the last Matean teedee from 14 yards out after teammate Ray Persasso snared a Menlo pass on the Oak 40 and returned it to the 24 to set up the drive.

Bill McMahon picked up Menlo's lone score on the seventh yard off tackle slant just before the final gun. McMahon's spurt climaxed a drive of seven plays and 52 yards.

Unless a rain-postponed game with City College of San Francisco is rescheduled, San Mateo's football season is over.

In his first year as head man, Hudson's record stands at three wins and five defeats. High point of the season was the Bulldogs' 21-6 upset of Southern Division Champion Monterey. Before the Monterey game, the Lobos were ranked the seventh best junior college team in the country.

SALMON FISHING GOOD

Salmon fishing has been very good lately in the waters off San Francisco, according to the National Automobile Club. Catches being brought in by sport boats are generally large.

Santa Cruz is called the Begonia Capital of the world.

THE SUNDAY IN MARCHBANKS

Park at 2 p.m., Baher's boys continue their title quest against Mike Chioino (4-1). The league is based on a round-robin basis with only two more weeks before the first half ends.

In an non-league game, young Tito Sarto hurled his dad's club to a ten-inning 4-3 decision over 12 Mile House last Sunday. Tito had a no-run-no-hitter for seven frames, but the opposition rallied for one run in the last of the seventh and two more in the ninth.

Sarto gave up five hits, struck out eight, and walked two. His final fanned eight and issued three walks.

This Sunday in Marchbanks Park at 2 p.m., Baher's boys continue their title quest against Mike Chioino (4-1). The league is based on a round-robin basis with only two more weeks before the first half ends.

Cooper-Varni pushed across two ninth inning runs to trim Gelsi's Cavern, 5-4, in a National League Class AA game at Marchbanks Park last Sunday.

Manager Eddie White's nine led 3-1 for five innings but the Clubmen knotted the score in the sixth. Gelsi's went ahead with a run in the ninth before SFAC's winning rally came.

Red Dunn hurled the distance for White and allowed eight hits. This Sunday on the Clubhouse diamond at 12, Gelsi's (3-3) meets SFCA (4-2) to complete the first half of the league's round-robin schedule.

MODESTO JC DEFEATS CITY COLLEGE RAMS IN NCJCC TILT, 13-6

Things were even in the second half, but Modesto JC won scoring honors after the first two periods and held on to whip the City College of San Francisco Rams, 13-6, last week in a NCJCC game at Modesto.

Grove Klemmer's hearties took a 6-0 advantage in the first quarter on Stan Haan's one yard plunge to climax a 67 yard drive.

An intercepted Ram pass and a punt return all the way gave the home town eleven the verdict in the second quarter.

The first tally came on QB Don Duncan's 45 sideline scamper with a punt return. Just before the boys had recess, the clinching score was pushed across. Halfback Jim Canover went the final 16 yards after his team thefted a Ram pass on the City College 28. The second conversion was made good by Dick Sawyer.

Handy Guide For Xmas Mailings

Following are a few of the simple rules to assure your Christmas mail will arrive at its destination before New Years.

Cut this article out and put it

somewhere near the place you'll be wrapping your Christmas packages and addressing your Christmas cards.

Mail early is greatest single factor towards insuring prompt delivery. Mail for out of city points should be deposited not later than Dec. 15. For San Francisco delivery not later than

Dec. 18.

Postage—Save time by purchasing stamps before the rush period.

Addresses—All mail matter must be plainly and completely addressed, preferably in INK. Give street address or post office box or rural route and rural box number. Addressing should be done in INK on face of package.

Mail greeting cards as first class mail—use 3 cent stamps—They may be sealed and contain a written message. Dispatched and delivered first. Forwarded, if necessary without additional charge. Returned, if undeliverable, at no further expense if the return address is shown.

Use your return address. "Why keep your address a secret." It is essential as well as proper. Hundreds of thousands of cards are sent to the Dead Letter Office and destroyed. Gifts and cash are lost to senders and addressees because no identification is possible.

Air Mail—Air Parcel Post. For quick, speedy service. Modern, efficient, dependable, avoid disappointment of late arriving parcels and letters. In case of mailing after the above deadlines air mail will bring destinations 1 to

3 days closer. All classes of mail can be sent by Air Parcel Post.

Packing and Wrapping—To make sure your parcel will arrive safely, use care in packing, wrapping and tying. Pack articles carefully and tightly in strong durable containers. Wrap and tie packages securely with good quality paper and cord, but do not seal unless the label has a printed instruction that the Postmaster may open for inspection.

Size and Weight—Parcels are limited to 100 inches length and girth combined for surface and air. 70 pounds is the maximum weight for first class, air mail, air parcel post and parcel post.

Seals—Christmas seals and stickers are permitted on the outside of mail matter during the month of December but preferably on other than the address side. To encourage early mailing parcels may be marked "Do Not Open Until Christmas."

Enclosures—Written salutations, such as "Merry Christmas," "Happy New Year," "With Best Wishes," are permitted. Letters or messages, no matter how brief, in unsealed greeting cards or parcels cause them to be subject to first class rate.

Special Delivery—Mail matter of any class is entitled to the most expeditious handling and transportation practicable, as well as prompt delivery by special messenger at the office of address upon the prepayment of special delivery fee. Letters up to 2 pounds cost 15 cents. Parcels up to 2 pounds cost 25 cents. Rates for additional poundage are slightly higher.

Patrons having a number of

Free Bookkeeping Course Offered

Adults, with or without high school diplomas, will find a golden opportunity to prepare for better jobs in the business world by attending the free course in bookkeeping offered at Mission Adult School, Eighteenth and Dolores streets.

Bookkeeping at Mission Adult School is presented on a vocational level. The material will also appeal, however, to the adult who wants to find out for himself "what makes the wheels go round" in business before starting his own commercial enterprise.

The class meets on Monday and Wednesday from 7 to 9 p. m. and the course is open for registration without charge.

greeting cards to mail are urged to tie them in bundles with addresses all faced one way and those for San Francisco delivery separated from the out of city. Use Zone Numbers in addresses to help speed the mails.

Theodore Judah conceived and carried out the building of the first railroad over the Sierra.

PLaza 5-4321

Marion L. Walker (at right) has proudly announced the opening of his new Redwood City warehouse. Shown in front of the building are: John Shanahan, Mrs. Eupha Emerson, Marion Walker, Ernest Carlo, Bernard Yost, James Dillon, Vincent Turturici and Al Nicol.

Walker Beverage Announces Opening Of Redwood City Warehouse

Last month witnessed the opening of a new, modern warehouse for the Walker Beverage Company on the Bayshore Highway in Redwood City. According to Marion L. Walker, proprietor, the new warehouse was established so that the company might better serve its friends in San Mateo County.

Walker Beverage is exclusive distributor of Lucky Lager beer in San Mateo County (note handsome sign atop new building). They will, of course, continue to serve the San Jose and San Francisco areas from their warehouses in those cities.

Vets' Questions Get Answers

No veteran in San Mateo County can possibly hope to keep abreast of the constant changes in the laws and regulations which affect his rights and benefits, but he is welcome to make use of the specialized knowledge and facilities put at his disposal at the Veterans Service Office, Courthouse, Redwood City.

According to Floyd D. Granger, Veterans Service Officer, there have been important new developments in recent months in almost every major aspect of veterans' benefits, both State and Federal. "To cite just a few examples," he said, "we have new rules in force now in these fields: medical care for veterans' disabilities, GI loan guaranty entitlement, release of National Service Life Insurance information, surviving parents' eligibility or prisoner-of-war payments, and the 1951 deadline date on starting GI Bill education or training, as well as State educational assistance to dependents of certain deceased veterans."

Up-to-the-minute information on all subjects of particular interest to veterans is received by Mr. Granger from the State Department of Veterans Affairs, various Federal Government agencies and the major veterans organizations. Through his office, it is put to use in assisting veterans and their dependents in San Mateo County.

Bookkeeping Course Offered

Realizing that the average person needs knowledge of bookkeeping principles to handle his own financial affairs and prepare his income tax reports, the Marina Adult School is offering a course in bookkeeping on Monday and Wednesday from 7:00 to 9:00 p.m. at the Marina Junior High School (Chestnut and Fillmore Streets).

Those completing the course will be able to take positions as bookkeepers. However, the course is directed primarily to those men and women, while not planning careers as bookkeepers, feel the need of this type training for the proper management of their personal affairs.

The small business man who finds himself at a loss when it is necessary for him to make out his sales tax, unemployment insurance, withholding tax, and income tax reports should welcome this opportunity, either by taking the course himself or by sending someone in his employ or some member of his family.

This course is a free public service of the San Francisco Unified School System and is, therefore, tuition-free. For further information, please telephone WALnut 1-2707.

Christmas mailing hints from your postmaster: Mail Early — pack, wrap and tie securely — use your return address — address all mail completely and plainly. To speed your mail use Air Mail and Air Parcel Post with Special Delivery.

Christmas is coming soon. This year the holiday mail will again be huge. Avoid delay of your Christmas cards and gift parcels. Mail Early.

The Shell Building in San Francisco is 29 stories high.

FULL-TIME JOB

Do your Christmas "window-shopping" from the sidewalk, not from the driver's seat of your car, urges the California State Automobile Association. Driving is a full-time job requiring your undivided attention at all times. Even a momentary lapse of attention can result in a traffic accident on crowded streets.

Connecticut stands ninth in production of tobacco grown.

Navy Goes All Out In Electronics

The USS ELECTRON, first United States Navy ship to be completely outfitted as an electronics supply and repair fleet auxiliary vessel, recently was loaded at the Naval Supply Center, Oakland, with some 30,000 line items for the Far Eastern fleet including parts and spares for radio, radar, sonar, teletype, tubes, capacitors, resistors, generators, motors, electric cable, radar scopes and antennas. Commanding Officer, Rear Admiral Murrey L. Royer, has announced.

Commanded by Lt. Leonard J. Fullen, UNS, Astoria, Ore., the ELECTRON expects to have a

Theatre Hopefuls Dream Of Fame

The irony on which the new comedy, "All About Eve" currently at the El Rancho Drive In Theatre, turns is represented here by fledgling actresses who will pay what ever price of fame happens to be. Anne Baxter furtively wrests a star's (Bette Davis) costume to see how it would look on her; Miss Baxter reaches her goal. Barbara Bates (right panel) dreams of stealing her thunder. "Saddler's Wells Ballet" and 3 color cartoons round out the program.

busy life with the fleet in Asiatic waters. Loaded by specialists from the Ship's Supply Depot, a unit of the Naval Supply Center, and supervised by Commander F. M. Lamkin, officer in charge of the depot, the ship's outfitting was closely watched by W. E. Leonard, representative of the Navy's Electronics Supply Office at Great Lakes, Ill.

Many Experts

Eleven experts from the repair ship, USS AJAX, San Diego, were sent to Oakland to assist in the electronics innovation by the Navy. Five officers and 90 enlisted men are aboard. The ship's complement was increased to include a number of specialists — Navy trained and schooled as technicians.

A former LST, the ELECTRON came out of "mouthballs" at Bremerton, Wash., and was converted into a supply ship at Pearl Harbor, Hawaii. Built in 1945, the ship is one of the latest to be recommissioned for specialized duty.

Strange Cargo

Cargo was loaded in neatly built bins and shelves and controlled by an elaborate alpha numerical filing and locating system.

A feature of the work to be done by the former troop carrier will be

the exchange of equipment with other ships having radio and radar troubles. Equipment on the ELECTRON will be traded with other ships and a revolving system of exchange will provide other ships with workable gear.

LSTs are good ships for the type of duty we will have," Lt. Fullen said. "They are self sustaining, have a large cruising radius, can load and unload at places where dock facilities might not be available, and have all the space planned to hold troops and tanks and other equipment available for storage space."

Extension Service

The floating electronics base will be an extension of the large Ships Supply Depot into the far Pacific. Comdr. Lamkin pointed to the 30,000 line items his depot was able to supply the ship and said, "The ELECTRON will be ready for work the minute she meets the fleet. Everything we could think of is aboard. The repair shops have the latest and best equipment. The Navy is blazing another streamlined trail in logistics. This ship strictly is 20th Century meeting the challenge of electronics in war."

The effectiveness and production of the ELECTRON will be followed closely by the Navy's electronics and supply experts.

Read The Contract Before You Sign

Home-seeking veterans were cautioned today by the Veterans Administration to be sure they fully understand any contract or document they are asked to sign, before they risk a deposit or down payment on a house.

Inquiries to VA from veterans in several parts of the country indicate they have experienced a variety of difficulties in attempting to buy homes with the aid of VA-guaranteed loans.

In most cases, VA said, the difficulty arose from the veterans' failure to read and understand the sale contracts and other papers which they signed.

The bulk of complaints center upon document which veterans find later are only reservations to purchase, and not firm sale contracts, or upon "escalator" and "hostility" clauses included in sales agreements.

While there's nothing illegal in the action of the seller, VA explained, complaining veterans are convinced they have been cheated, and have requested VA to protect them.

Actually, there is little VA can do once a veteran has entered into an agreement with a seller. A contract or sales agreement is a private matter over which VA has no control. Consequently, VA repeatedly has urged veterans to be careful, and get all questions fully and clearly answered by the selling agency or other qualified counsel before signing such agreements.

SHOULD BE EVEN

Excessive tire wear, and an unsafe steering condition, will result from front wheels that are out of alignment, warns the National Automobile Club. If the car owner has the least suspicion that his wheels are not running true he should drive around to a well-equipped service station and have the wheels tested for their alignment. It would be well, at the same time, to have the mechanic test the rear wheels for looseness.

San Francisco's Post Office is headed for its biggest Christmas season. Postmaster Fixa advocates early mailing. Greeting cards and parcels for out of state should be mailed by December 15, and for San Francisco delivery not later than December 18.

Lomita ParkNature In The Raw
Is Seldom Mild

by Ridgely Cummings

The people whose lives are centered around the theatre are truly charming but I'm beginning to wonder if most of them aren't hyperthyroid.

What an energetic, enthusiastic and egotistical lot they are, continually fighting for the center of the stage.

I don't want to be unfair, you understand, but if I sound too critical it is because I'm just now recuperating from a special experience. I was an audience of one for an entire weekend, surrounded exclusively by actors and actresses, and I'm weary from the effort of trying to look intelligent (a tough job for me) and appreciative as these charming people bickered for the upstage position and my undivided attention. It will take me at least a day to recover.

Dangerous Test

There is no more dangerous test for the mild and tenuous bond of acquaintanceship than to spend a weekend with the acquaintances under circumstances that allow one no time to himself.

One can heartily enjoy himself for an hour or two. One can be amused for five or six hours; but at the end of 24, 36 and finally 48 hours the stunts one thought were uproariously funny have lost some of their point, the smile muscles around the mouth ache and ultimately, if you're like me, it becomes an effort to be polite and maintain an attitude of courteous attention.

Weekend Opens

My weekend immersion began on a Thursday night when I was assigned to review a musical, met a group of thespian acquaintances and sat around with them for several hours drinking coffee and talking shop.

That was fun and should have been my quota of show business for the week.

Recklessly I accepted an invitation to a cast party for the following evening. I had a farm bureau banquet to cover first and then went out to the theatre, where all the seats had been moved aside to make room for dancing. A phonograph was going and refreshments were flowing, these provided for by a four-bit leev at the door on all comers.

This too was fun, as cost parties usually are for they are held after the final performance of a particular play and the players are in high spirits, letting down from the tension of the run. As I mentioned before, they are charming people and one couldn't wish for better companionship when they are at their exhilarating and entertaining best, providing it comes in small or medium doses.

Play Review

Alas, the next day was Saturday and I had previously committed myself to making the run from Phoenix to Tucson, some 125 miles, to catch the final performance of "The Madwoman of Chaillot" by the University of Arizona players.

Six of us went down in a shiny red convertible, going 70 miles an hour or faster all the way. The other five including the driver were laughing, gesturing, cracking wise all trip and the three in the front seat, including the driver, kept turning around to explain with arm-waving to me and the others in the back seat whatever it was they were explaining.

I held on and smoked a pack of cigarettes trying to look nonchalant and refrain from back seat driving.

We got there in one piece, made it in an hour and a half, but even that early in the weekend I found myself wondering about the bus

schedule back.

House Guests

We were house guests of a member of "Madwoman." From our arrival until curtain time that evening the place was a scene of frantic activity, with costume fittings for a future play and discussion of past ones between my Phoenix companions, several of whom had studied drama at the University of Arizona, and their cronies who were in the current production.

Then there was the performance of "Madwoman," a wearing emotional experience in itself for the play packs a wallop and was well acted.

By eleven, when that was over, I was ready for bed but the evening was just beginning for my companions, who seemed determined to introduce me to everybody in Tucson.

Jazz Hot

After half an hour back stage we were bundled into cars and driven some ten miles out to a night club where the Negro orchestra was supposed to be something special for the aficionados of the jazz hot.

Then back into autos and off to somebody's house, where another cast party was in progress.

Unlike the party of the previous evening, which had been attended by men and women of all ages, this was rather a youthful affair. When one of the students addressed me as "Sir" I decided the time had come to act my age and grabbed off a good-looking graduate student (they're older), led her to a corner, and plied her with drinks until the affair broke up about four a.m.

Enough, Enough

You think this should be enough for one evening? So do I but these thespians to whom I was attached were still going strong. Nothing would do but that we should drive to an all night place for coffee and much more conversation about the play and the people we'd met and the relative merits of Moliere and Christopher Fry and so forth until the dawn broke over the nearby mountains.

Early Sunday—early being a relative term indicating before noon—they were up and at it again, jabbering away for all they were worth and calling upon me to referee their arguments.

At this juncture I rebelled. I had had it. I took a book and my sun glasses and went out on the lawn until time to start back to Phoenix.

Drive Back

The drive back was a little safer than going down. We seldom went over 75 and took two hours to make it. Also Tallulah Bankhead's Sunday radio program was on part of the ride and those hams kept a respectful silence during this.

On the way home I learned I was supposed to go to something called a "steak fry" that evening. I don't know what a steak fry is but gathered that in addition to eating steak it involves engaging in community singing, doing charades and acting in skits.

Once I saw what I was in for I began complaining of a headache. By the time we arrived I had convinced them that aspirin was no solution and that they had better drop me off.

They did, thank heaven. Although this was an unusual weekend for me, it wasn't for my actor companions. What an appetite for life they have. And what a basal metabolism!

SF Mayor To Head
Defense Meeting

Mayor Elmer F. Robinson has accepted an invitation to preside at a civil defense meeting of the American Municipal Assn., in Washington, D.C., next week (Dec. 6). He will be accompanied by Harry D. Ross, San Francisco Controller.

The defense discussion will be a highlight of the annual conference of the Association, whose membership includes representatives of more than 6000 cities.

Mayor Robinson will also visit Boston, Mass., to talk before city officials on the civil defense problems of large cities.

Supervisor Dewey Mead will be acting mayor through Dec. 8, when Robinson expects to return to the city.

"Rifleman" Uses Kitchen
Window As Target

Washing dishes can be a perilous experience, at least if someone is shooting at your house.

That's the report today of Mrs. Linton, 110 Los Olivos, who told police she narrowly escaped being struck on the head by a BB shot at 9 p.m. Saturday.

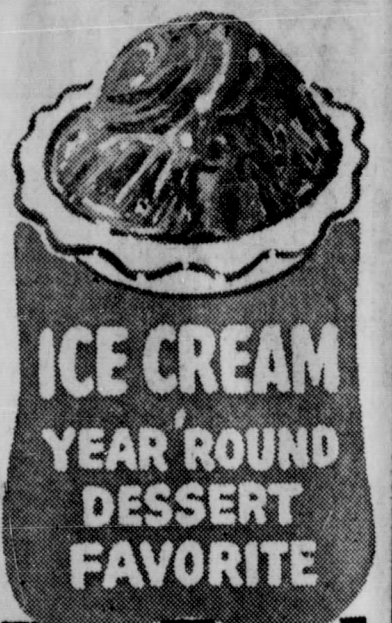

Mrs. Linton was beindling over the sink when a BB splintered the kitchen window over her head. The BB fell to the floor a few feet behind her.

The Mohave Indians are the tallest of all Arizona Indians.

Florida leads the nation in mining and shipping phosphate rock.

Eagles Auxiliary Initiate Four At November Meet

A quartet of new members were initiated into the Colma Vista Grande Auxiliary, F.O.E., in November, President Lerene Gardner reports.

Mesdames Mary Redden, Myrtle Smith, Helen Thur, and Elva Lee DeLeon took entrance vows this month.

President Gardner, Alberta Diebel, vice-president, and Frances Nensiel, secretary, attend a California Auxiliary get-together meeting in Oakland two weeks ago, November 19.

The all-day session was highlighted by the appearance of Past Grand Worthy President Lester Noble of Helena, Montana.

Noble answered many questions relating to the Auxiliaries.

A special luncheon was served at noon.

Meanwhile, Colma-Vista Grande members are preparing for two special future events.

In the planning stage is a Christmas party, December 12, for Frankie, the auxiliary's adopted handicapped child.

On December 19, a demonstration luncheon and whist will be offered at the Eagles Hall, 3346 San Jose avenue. The luncheon starts at noon with the card game to begin promptly at 1:30.

All those interested in buying tickets should call Dora Black, PLaza 5-0625, whist chairman.

Serving on the initiation-refreshment committee were co-chairmen Ednah Mona and Edrie Summers, and helpers Les Grisel, Eva Grubb, Josephine Cordova, Emily Dempsey and Jackie Malinoff.

DC Sailor Back From Korean War

Robert A. Freeman, RD3, USN, son of Mrs. V. L. Usery of 499 Willits street, arrived back in the United States this week after five months of action in the Korean War.

He was aboard the attack transport USS PICKAWAY, a unit of the Pacific Fleet Amphibious Force, which docked at the San Diego Naval Air Station.

On hand to greet crew-members of the PICKAWAY were Rear Admiral I. N. Kiland, commander of the Pacific Fleet Amphibious Force, members of his staff, and wives and relatives of many of the bluejackets returning from combat. Large signs reading "Welcome Home" and "Well Done," traditionally the Navy's highest praise, decorated the pier as the ship drew into her berth.

The PICKAWAY was one of the ships which rushed men of the First Marine Division from San Diego to the Korean front lines last July. It was this "shiplift" of fighting Marines which helped to the pocket of United Nations territory around Pusan.

The PICKAWAY was also among the gallant ships of the Pacific Fleet Amphibious Force which took part in the decisive landing at Inchon, which turned the tide of battle in Korea. Most recently, this ship was among the amphibious vessels which landed supplies at the thickly mined port of Wonsan to support the rapid advance of U. N. troops.

STRIPERS TAKEN
Many large stripers have been taken during the past few days on the Napa River in the Napa County area, reports the National Automobile Club. Most anglers have been taking fish.

New Church To Give Dinner December 13

Grace Presbyterian Church, located on Winchester and Evergreen in Daly City will have its annual turkey dinner and bazaar on December 13 between 9 a.m. and 8 p.m.

Dinner will be served at 5 p.m. in the recreation room of the new church. The spacious kitchen equipped with refrigerator, coffee maker and steam table will enable the members to put on one of their best affairs to date.

The dinner and bazaar will be under the auspices of the women's circles and is headed by Mrs. Henry Adams. Tickets for the affair may be purchased through any of the circle members or by contacting Mrs. Adams at PLaza 5-6697. Everyone is cordially invited to attend. Proceeds of the dinner and bazaar will go towards the building costs of the new church.

Youths Cheat Death In 20 Foot Plunge

In a miraculous escape from death, two Daly City youths walked away from their demolished car last Friday only a few seconds after it had plunged off a 20 foot bank in Colma.

Shortly before midnight Friday Bernard J. Voelker, 19, 468 Willits, and Jack Cooper, 18, 545 Winchester, were driving along the Chinese cemetery road in Colma.

Suddenly the car, driven by Voelker, skidded on the edge of the road and rolled over a 20 foot bank.

The two youth scrambled out of the overturned machine and escaped with only minor cuts and bruises. The car is almost a complete wreck, police said.

Calaveras County once contained all of Alpine and Mono, most of Amador and part of Inyo Counties.

SM County Soon To Get Butano Park

The way is clear today for San Mateo county to acquire 2,000 acres of Butano Forest for a state park.

Last Friday the state park commission authorized the purchase of the land from a \$485,000 grant that had long delayed the action.

Another \$150,000 will be sought by private subscription for purchase of the other 1,000 acres sought for a park, Paul McCarthy, head of Butano Associates, said today.

The proposed park, located in the mountainous area of South San Mateo county and northern

Santa Clara county is expected to become one of the Bay Region's outstanding recreational areas.

The agave or "century" plant produces an asparagus-like fruit which is roasted by the Indians.

The California Academy of Sciences at San Francisco is the oldest scientific institution on the Pacific Coast.

Lions Club Pledge US Bonds Support

The Daly City-Colma Lions Club has joined with thousands of similar local organizations in volunteering aid to the U. S. Treasury's Payroll Savings Campaign, now underway.

R. L. Crane, Secretary of the Lions Club, has notified his National Bond Chairman that all business men in his organization will be asked to install the Payroll Plan for the purchase of U. S. Savings Bonds in their store, office or plant.

The local group is one of 60,000 Veterans, Civic and Service Clubs and Fraternal Societies being asked by the National Organizations Advisory Committee to the Treasury Dept., to help in expanding the Payroll Savings program. The membership of these organizations includes most of the 2,500,000 business concerns throughout the nation.

Vernon L. Clark, National Director of the U. S. Savings Bonds Division, in expressing appreciation to these organizations said: "Business men up and down Main Street, U.S.A., are operating the Payroll Savings Plan to make regular saving easy for their employees. They know that it's good business, for they find the payroll saver is happier and more efficient in his work, more regular in attendance and less liable to accident or injury, since he is not distracted by financial worries."

"This partial payment way to buy Bonds has been proved since 1941 to be as successful in small business as in giant industries. We need the support of the small businessman."

"The Savings Bonds owned by your friends and neighbors can

Official Department of Defense Photo
HOW'D YOU LIKE TO TACKLE THIS REPAIR JOB?—Corporal Herbert E. Powell, of St. Cloud, Minnesota, at first is stumped as he gazes at the wreck of this "spotter" T-6 trainer plane grounded in Korea. But he is not frustrated. Even with a chunk of the tail gone, he went to work and the "old reliable" new home. Powell is the crew chief.

FOR FUTURE REFERENCE

In case of a collision, take the other motorist's number, even if apparently no damage has been done to either car, advises the National Automobile Club. It frequently happens that the closest scrutiny will fail to reveal any effects of the accident, but when the car is driven fairly serious damage may show up.

Good drivers always let the other man know what they are about to do, advises the National Automobile Club.

Generally only weed seeds that are within the upper one-fourth to one-half inch of soil germinate in cultivated fields.

mean many different things—as many and varied as the people who own them. They represent future buying power for the customers of American business; millions of new homes, college education for millions of young people, leisure and a chance for dignified retirement after working years are over. Buying Bonds on the Payroll Savings Plan provides a growing reserve for future opportunities and emergencies.

NEWS FROM THE SCHOOLS

CROCKER

The children of Room 3 have decorations and are busily planning their Thanksgiving decorations and are busily planning for Christmas. They did some work in choral reading with a lovely Thanksgiving poem called "The First Thanksgiving of All" by Nancy Turner.

Work is progressing nicely in their study of early colonial life. The stories and illustrations of colonial houses, schools, and food have been completed. The next study will be the style and making of colonial clothing.

Room 4

The Sixth Grade is keeping a daily weather chart. Each day two members of the class take turns recording the weather. This is done on a special calendar by drawing an appropriate picture in the space designated. For the past week umbrella pictures have predominated. This is a part of the study of the seasons and why we have them.

Room 5

The Eighth Grade a.m. session has been learning about the Supreme Court of the U. S. The pupils have learned that the nine judges are appointed by the President and approved by the U. S. Senate.

After a four-month recess, on October 2, at noon, the judges came back to work. The first session lasted only eleven minutes. Then the Court adjourned until October 9 and will remain at work until May, or longer, if it is necessary.

The students of the seventh grade are studying about the eye. They will draw an illustration of an eye and name its parts.

The sixth grade in room 2 are making booklets for their social science. In arithmetic they are studying the addition and subtraction of fractions, as well as incorporating the holiday season theme in their art.

"Thanksgiving Greetings" welcomed students, teachers, visitors, and parents to the Crocker School, in a student arranged bulletin board, of a Quaker boy and girl, each holding a pumpkin and facing a turkey. Surrounding this attractive display were autumn leaves. In another section of the hall the bulletin board was decorated with the proverbial turkey. These displays were originally drawn by Lenia Johnson and Bob Bridges.

BENICIA

Benicia, Solano County, was founded in 1847 by General Vallejo and named for his wife, according to the National Automobile Club. The Town Hall was the Capitol of California for a short period in the 1850's.

Don't depend more on your horn than your "horse sense" to get you through traffic safely, advises the National Automobile Club.

OLD FORT TEJON

Old Fort Tejon, located in Tejon Pass on U.S. 99 between Bakersfield and Los Angeles, is reported by the National Automobile Club to have been built in 1854 to defend the pass against hostile Indians and to have been an important army post in the early days of the American Occupation.

YUBA CITY

Yuba City, located in Sutter County in the heart of the greatest peach-growing and canning section in the world, is reported by the National Automobile Club to have been founded in 1849 on the site of an ancient Indian village.

NATIONAL PRESS BUILDING
WASHINGTON, D. C.

By Anne Goode

Does morning mean a mad scramble for that other earring, a bracelet and those matching scarf pins? Then reorganize your bureau drawer and sort out your costume jewelry into one of those quilted and sectioned-off stocking boxes.

Apple rings filled with cranberry sauce make an attractive yet inexpensive garnish for a roast turkey. Core, pare and slice 3 apples. Fry in vitaminized margarine and a little water in a covered skillet until tender. Pile cranberry sauce in centers.

With velvet all the style, there's many a fair lady losing her fair disposition brushing lint off this material of queens. Here's a magic lint-lifter: wrap some cellophane tape, sticky side out, around your fingers and brush the velvet.

Ever wonder how to dress up lima beans? Here's the answer. Blend 1/2 cup real mayonnaise, 4 tablespoons flour, 1 teaspoon salt and 2 cups milk. When thickened, add 1 teaspoon grated onion and 6 tablespoons grated cheese. Cook over low heat 10 minutes and pour over cooked limas. Serves 6-8.

According to one prominent house of perfume, fur is an excellent place to apply your favorite scent. Don't worry about damaging the fur. Spray it on with an atomizer from a foot away so that it reaches only the top hairs, not the pelt itself.

More than 1,500 Northern California women were guests at a tea in San Francisco on Oct. 4 given by (l. to r. above) Adela Rogers St. John and Kathleen Norris, famous writers, for Mrs. Nixon and Congressman Richard Nixon, candidate for the U. S. Senate.

Plates Formed Of Vets X-Ray Records Center

The first "professionally accepted" facsimiles of X-Ray films to be used in the treatment of sick and disabled veterans are being reproduced by Veterans Administration through a new mass production process, the VA announced today.

The new process will enable VA to speed examination and treatment of a veteran while his claim is being considered, and original films will be protected against loss or damage through handling and transportation.

Now, VA said, when a VA clinic, hospital or any other authorized medical institution or doctor needs a previously made X-Ray in the examination and treatment of a veteran, the request will be sent to the VA Philadelphia Records Center. The Center will simply make a facsimile and the original will be retained in VA files. The facsimile need not be returned.

X-Ray Center
All X-Ray films, many of which are now held in Regional offices and other VA installations, may be consolidated into a single library at the Records Center.

Solarization, which is the basic technique used, had been employed for some time by Dr. William H. Roper, Director of the Section for Research on Minimal Tuberculosis of the Army Medical and Development Board. He had been able to make one facsimile at a time. It was a slow and laborious process.

VA experts observed the materials and techniques used by Dr. Roper in his laboratory at Fitzsimmons General Hospital at Denver, and then conducted experiments which resulted in the high level reproduction now a product of the VA X-Ray Facsimile Reproduction Laboratory at the Philadelphia Records Center.

The solarization process, VA said, requires a tremendous increase in exposure over what is ordinarily considered normal. Other specific development conditions also must be fulfilled.

New System
In developing the new reproduction system, VA experts first had to determine what size facsimiles were needed, how many and whether equipment should be designed for machine processing or hand processing.

It was decided that machine processing would be necessary to handle the volume of reproduction that the laboratory ultimately would be required to turn out.

Women of Moose Hold Xmas Bazaar

San Francisco Chapter No. 739, Women of the Moose, will hold their annual old-fashioned bazaar today, November 30, at the IOOF Hall, Seventh and Market streets.

Eva Haverlock and her committee have planned a ham dinner with all the trimmings to be served from 6:30 p.m. to 7:30 p.m.

Junior Regent Irma Heyberger, general chairman of the event, announced that the various booths will be in keeping with the old-time bazaar theme and will include hand-made fancy work, homemade candy, aprons, dolls and toys, homemade cakes, potted plants, games and concessions.

With Christmas so close, the Bazaar will be an excellent opportunity for gift-minded shoppers. The public is invited.

Also, it was felt that machine processing would be more consistent and reproducible, an important factor in the precise control of X-Ray facsimiles.

Equipment had to be designed and this problem was complicated by design changes being made by manufacturers bringing their products up to date after several years of "frozen designs." Lay-out and partitioning of the laboratory could not be completed until the size of the processing equipment was determined.

Other Problems
Other problems confronted the laboratory staff. How much chilled water would be needed to maintain temperature control? How large would the equipment for that be and what shape?

"Seems like a simple question," Bruce F. Denman, Chief of the Radiographic and Reproduction Unit at the Records Center and the man who directed the operations, said in discussing the subject, "but it required weeks of research to find a reliable answer."

One of the more difficult and more basic problems encountered was that of exposing the films. In order to obtain the "over" exposure by which solarization is obtained, an extremely large volume of light is needed. The color of the exposing light also had an important bearing on the quality of the reproduction.

Many Obstacles
To overcome these obstacles, a printer was designed to meet the special needs of the laboratory. The VA wrote the operating specifications which would provide proper exposure time and enable the technicians to load the printer, expose and unload at a speed that would keep up with the machine which accepts a film every minute. The machine also had to be such that the technicians could control the color of the exposing light and give them a "light-tight" enclosure that the highly sensitive film could be handled with the printer in operation.

Other equipment, VA said, is conventional. It was laid out for easy and efficient operation by a small crew.

The entire project, from the time the planning started until it went into operation, required two years.

VA said the present production capacity is 80 to 100 facsimiles a day. It can up this figure to 400 with additional personnel.

NATIONAL PRESS BUILDING
WASHINGTON, D. C.
By Anne Goodie

If you're a lover of molded salads and gelatin desserts, look in the cupboard for pretty and intriguing molds. Tea cups are perfect for molding aspics; serving dishes are often ideal for ham or chicken mousse; and water goblets, sherbet glasses and candy dishes mold gelatin desserts divinely.

The next time you're giving shoes the ole shinola, try some on your leather handbags. Since shoe polish comes in various colors, it will touch up scratches and brighten handbags dulled from rain and wear. In addition, its waxy base will protect the leather for a long, shining future.

Solution for leftover egg yolks: Simmer them in salted water for 15 minutes. Drain and chill. Then chop or rub them through a sieve and use in sandwich spreads, sprinkled in salads or as a garnish for vegetables.

The latest style for separates is to wear sweaters or jersey blouses the same color as the skirt worn with them. It makes a more complete costume. Perhaps you've noticed and despaired. Well, don't. With a little derring-do, a good color remover, and all purpose dye, you can transform last year's styles into this year's fashions.

Regular milk can be turned into sour milk by adding 2 tablespoons of vinegar per cup. Mix thoroughly and let stand a few minutes until thickened.

Over 76 Per Cent SM County Voters Cast Votes Nov. 7

In one of the heaviest off-year elections, 6.9 per cent of San Mateo county's 118,779 registered voters marked a ballot November 7.

This was only three per cent under the prediction made by County Clerk William H. Augustus the day before the election. Counting the 1,598 absentee voters, 91,298 persons turned out for the election.

Following are the officials election returns for the county:

Governor — Earl Warren, 68,548; James Roosevelt, 21,880.

Lieutenant Governor — Goodwin J. Knight, 78,775.

Secretary of State — Frank M. Jordan, 76,535; George Walsh, 6927.

Controller — Thomas H. Kuchel, 75,222; Virgil G. Hinshaw, 2412; Alia T. Washington, 4406.

Treasurer — Charles G. Johnson, 77,091; Reuben W. Borough, 4802.

Attorney General — Edmund G. Brown, 41,286; Edward S. Shattuck, 43,176; Claude A. Watson, 2465.

Board of Equalization — George R. Reilly, 70,862.

U. S. Senator — Helen Gahagan Douglas, 30,587; Richard Nixon, 57,118.

U. S. Representative, 8th Dist. — Jack Z. Anderson, 72,385; John A. Peterson, 12,106.

State Assembly, 27th Dist. — Richard J. Dolwig, 72,978.

Chief Justice, State Supreme Court — Phil S. Gibson, yes, 60,717; no, 4477.

Associate Justice — Homer R. Spence, yes 58,808, no 4253; Roger J. Traynor, yes 58,329, no 4485.

Associate Justice, Court of Appeal — Fred B. Wood, yes 58,455; no 3936.

County Superintendent of Schools — Henry C. Hal, 36,395; James R. Tormey, 46, 322.

Sheriff — James J. McGrath, 21,501; Earl B. Whitmore 61,174.

Supervisor, Third Dist. — William M. Werder, 64,837.

County Harbor District — Richard D. Armstrong, 58,712; Thomas J. Callan, 57,966; Edward K. Garrison, 43,268; Raymond T. Higgins, 32,268.

Official Department Of Defense Photo

NAVY TAKES "TINY TIM" ROCKETS TO WAR—A potent weapon against Communist invaders of Korea is this rocket which was developed at the Naval Ordnance Test Station at Inyokern, California. It is effective in attacking enemy submarines and destroyers as well as land installations and troop concentrations. A Navy fighter has just launched one of the rockets in a test in the mountain areas of California.

DC Man Joins Guard Unit

Raymond Hollingsworth, 61, Cordova street, this week joined the California National Guard Battery B, 149 AAA.

Hollingsworth, a professional electrical trouble shooter, is expected to join the communications section of the Battery.

As word from Washington continues to indicate that the National Guard divisions will not be called up for a long time, and as drafting continues, some are joining the Guard. Some are joining for the express purpose of attending army schools. The Guard is sending more and more men to the Army schools for expert training.

Vet Group Slates Saturday Dance

Wondering where to go this Saturday evening?

The 21 Club, an organization of Colma and Broadmoor veterans, has the answer in a dance to be held from 9 p.m. to 1 a.m. at door.

Public Invited To Join Legion Fun

Every Saturday night the American Legion Post No. 410 opens to the public the many benefits to be had at the Legion Hall, 174 San Diego.

Join your buddies and friends, beginning at 8 p.m., in an evening of social gaiety and fun. The Legion social bar serves as good, if not better than any other.

Dance to your heart's content. Show your skill in cards, and if you don't indulge in these activities, just step up to the bar. These socials are for your enjoyment. Join us, won't you?

Lovchen Gardens in Colma.

Armando Ferraris, chairman for the affair, has arranged to have the well known Walter Klemmer orchestra on hand for the dance. Music, both modern and old-time will be the fare for the evening.

All money from the dance is to be used by the veterans to assist them in their activities in Colma.

Tickets, at a very reasonable price, may be purchased at the door.

SM County Land Values Increase

The value of San Mateo county property valuations (for assessment purposes) has shot up \$91,000,000 over the past 12 months, it was reported today by the California Taxpayers' Association.

The assessed value of property subject to local taxes has reached \$231,855,817, as compared to \$140,759,075 for the preceding year.

Also the report shows that assessed value of property exempt from taxation in this county during 1950-51 amounts to \$33,030,691. This figure does not include government owned property on which no assessed valuation is made.

POINT WORTH REMEMBERING

The fact that the oil level shows full on the gauge does not always mean that the crankcase is full of oil, warns the National Automobile Club. It may be that part of the supply is made up of gasoline seeped down from the cylinders where it never was burned. Crankcase ventilation takes care of this to a great extent, but if a car has badly fitting piston rings, the burden may be too heavy.

the South San Francisco Library. At that time there will be a display and discussion of photographs of specified San Francisco subjects.

Photo Club Invites New Local Members

A monthly competition for the best photographic prints in the advanced and salon division was held last Friday by members of the Portola Camera Club.

The members of this organization amateurs interested in photography. Anyone with a similar interest is invited to attend the club's regular meetings.

The next meeting will be held Friday, December 1, at 8 p.m. in

Colma PTA Now Has 324 Members

With more members coming in every month, the Colma PTA now has a membership of 324, Mrs. William Hutchings, membership chairman, reported this week.

Of this number, 274 are women, 32 men and 18 are teachers.

The Honorary Membership committee will be appointed at the group's next meeting, December 5. This short business meeting is to be followed by the Christmas program.

Program chairmen, Mrs. John Dennis Jr. and Mrs. Jack Clayton report the Colma PTA Christmas program will be just the student

talent from the Jefferson Elementary school and the Thornton Rural school. Don't forget that Santa Claus and the treat with a lovely tree will be there.

Mrs. Wm. Clark, safety chairman, reminds you that the Fire Prevention Week is not just a safety for one week but to be on guard at all times!

Boys and girls, when you are riding your bicycles please remember that there are traffic rules to be observed at all time! The Traffic Boys from the Jefferson Elementary school have a vote of thanks as they are with a perfect record. No accidents to their pleasure. Some to be very proud of.

Kezar Stadium in San Francisco accommodates 60,000 spectators.

Flower Arrangement Lecture Scheduled

Flower arrangements will be the subject of a lecture and films at the regular meeting of the Daly City Garden Club Tuesday, December 5.

The public is cordially invited to attend the meeting which is to be held at the home of E. H. Baden, 310 Hillside boulevard. The meeting will get underway at 8 p.m.

A qualified speaker will deliver a short talk on various methods of arranging flowers. He will illustrate his lecture with films.

Sugar represents 3.9 per cent of the world's food supply.

Bethel No. 183 To Hold Senior Princess Affair

Bethel No. 183, IOJD, will hold the annual Senior Princess Affair on December 8 at 6:30 p.m. in the San Francisco Masonic Temple, 4705 Third street.

Highlight of the evening will be a spaghetti dinner followed by a whist game.

Arthur Gioannetti, associate guardian, will be the chef. He will be assisted by Diane Barton, senior princess and chairman.

The public is cordially invited.

QUAIL PLENTIFUL

Quail are plentiful at present in the El Dorado County area, according to the National Automobile Club, and hunters have been enjoying some good shooting.

SM County Employees Xmas Dinner Set Dec. 1

The annual Christmas party dinner and dance of the San Mateo County Employees' Local 829 will be held December 13, at 7 o'clock at the Chucker, 20th and El Camino Real, San Mateo.

There will be interesting entertainment and a door prize has been promised. Members and the guests are cordially invited.

Christmas Bazaar

If you're wondering where to
buy that certain gift for Christ-
mas, the Mothers' Club of
OLPH has the answer this
Sunday, December 3, at their
annual Christmas bazaar. The
big event will be held in the
Parish hall, 80 Wellington
avenue, beginning immediately
after the 8 a. m. Mass. The
public is invited to attend and
examine the hundreds of gifts
which will be on sale.

Saturday Night Dance

Members of the "21 Club" a
veterans' organization in Col-
ma are holding a dance to
raise funds for their organiza-
tion this Saturday night, De-
cember 2. The public is invited
to attend the dance which will
get underway at 9 p. m. in the
Loven Gardens in Colma.
Admission is only 60 cents.

Young Women Needed For WAVES

Young girls 20 and under 26
years of age are urgently needed
for the Navy WAVES.

Successful candidates are now
shipped to the Great Lakes Train-
ing Center every three weeks for
Recruit Training. Previous ship-
ping dates were every six weeks.

Navy experience opens new
doors of opportunity to you, for
Navy training is carefully directed
to discover and develop individual
talents. You have opportunity for
specialized instruction and self-
improvement the Navy way, and
you earn while you learn. You ad-
vance in rate and pay as you be-
come qualified.

WAVES have successfully filled
approximately 450 different kinds
of Navy jobs. They will continue
to serve in the Regular Navy in
all appropriate fields, such as
Communications, Supply, Aviation,
General Administration and, par-
ticularly hospital work. Additional
and diversified types of work are
being added as fast as the Navy
finds them to be appropriate and
useful.

Inquire today about the many
opportunities the Navy WAVES
offer. Remember! An hour of
your time may bring you generous
and satisfying dividends in train-
ing and travel, along with a se-
cure well-paid career.

Stop in at the San Mateo Navy
Recruiting Station, in the Post
Office Bldg., and talk this program
over with Chief Hallfarth. He
will be glad to help you.

**BUY 'EM
BAKED!**
**PRUNE
CAKE**
**HARRY'S
PASTRY SHOP**
Open Every Day
Sunday 'til 1 p. m.

Pruneface, a distant relative
of Harry's, got that way by
eating too many prune cakes
that didn't come from Harry's
bakery. Only Harry can whip
up a prune cake that will re-
move wrinkles both on your
face and in your stomach. Yes,
other prune cakes just don't
satisfy. It takes Harry's prune
cakes to prove that a prune
can be more than a prune when
dropped into one of Harry's
cakes. Confusing? — Blame
Harry...he and his bakery are
full of prunes.

Giant Christmas Bazaar Slated Sunday By Members of OLPH Mothers' Club

Members of the Mothers' Club of Our Lady of Perpetual Help School have been very busy with final preparations for their Xmas Bazaar which will take place this Sunday, December 3.

The Bazaar will open its doors at the Parish Hall at 80 Wellington avenue, right after the 8 o'clock Mass. Mrs. Ann Drury, who is in charge of the morning refreshments, announces that she and her crew of assistants will be prepared to serve anything in the line of breakfast from plain black coffee to bacon and eggs.

Later in the day, Mrs. Emilie Garcia will take over the refreshments. Sandwiches, salad, cake and coffee, hot casserole dishes will be featured. In addition to the K.P. help already announced, Mrs. Bonnie Whalen will also assist.

Sewing Booth

The sewing booth is always the big attraction at the Xmas Bazaar and Mrs. Jean Denning, chairman of the sewing, invites all to come and see the lovely hand-embroidered articles. These sets of dish-towels, pillow slips, aprons and other articles make much cherished gifts for Xmas.

Homemade fudge, penoche, candied apples and what have you will be offered by the Candy Booth, according to Mrs. Esther Nolan who is in charge; and many delicious cakes baked by some of the

"champ" bakers in the club have been promised to Mrs. Anita McArdle, chairman of the Cake Booth.

Great Variety

Mrs. Josephine Lamendola, who is in charge of the booth stocked with religious articles, has secured a large variety, including medals, rosaries, and prayer-books, so here is your chance to get some of these things you may need without making a special trip downtown.

If your little girl or some favorite small friend is making a doll collection, add to it with one of the lovely dolls from the Doll Booth. Wouldn't it be a wonderful Xmas gift to start some child off on a collection this year. Little girls love these small dolls (so do many of the mamas) and Mrs. Edna Cubic, chairman, says they are prettier than ever this year.

Assisting Mrs. Cubic in the Doll Booth are Mrs. Wilma Hathaway, Mrs. Dorothy Carrington, Mrs. Regis and Mrs. H. Martin.

Decorations

Decorating of the hall and many booths is being done by all the bazaar workers and, while the color schemes are limited to red and green, very clever are some of the booths.

President Mary Calergari, who is general chairman of the bazaar, which freely translated means that she is everybody's boss, everybody's assistant and everybody's errand-girl, extends a warm invitation to the public to attend. Admission is free.

Two DC Residents Given Citizenship

Daly City has two new American citizens today, following naturalization ceremonies in Redwood City last Friday.

Superior Judge Edward Scott welcomed the two local residents, as well as 26 other San Mateo county residents, to the benefits of being an American citizen.

The new citizens from Daly City are: Britta Anna Morris, 359 San Diego avenue and Frank Ratto, 10 West Cavour street.

The Woman's Relief Corps of Redwood City was hostess to the new citizens, who were examined by C. A. Antonioli of the U. S. Immigration and Naturalization Service.

"LITTLE JOE"—A South Korean orphan adopted by a medical company of the 25th Infantry Division proudly displays a captured Communist weapon to Corporal Joseph Bennice, of Schenectady, New York. "Little Joe" was provided with an Army helmet and wears a uniform cut down to fit a small boy.

Red Cross Makes New Appointments

A number of new appointments to volunteer posts in the San Mateo County Red Cross Chapter were confirmed at a recent meeting of its Board of Directors, according to William H. Taylor, Chapter Chairman.

Mrs. Henry L. Boos, of Burlingame, will head the Speakers' Bureau. Mrs. Boos, herself an experienced public speaker, is a Past President of the Garden Study Club and was Chairman of the entire amateur division of the 1950 San Mateo County Fiesta. Serving as Chairman and Vice Chairman of the new Red Cross Blood Service program are Mrs. Henry Bostwick and Mrs. Arthur Breuer, both of San Mateo.

Mrs. Bostwick is a member of the Peninsula League and was Education and Publicity Chairman for several years for the local branch of the American Cancer Society. Mrs. Breuer is a member of the Board of Directors of the local Girl Scouts and, during World War II, acted as Public Relations Coordinator for the Red Cross Blood Program. Mrs. Edward Janssen of San Mateo, who has been an active Red Cross volunteer for many years, has accepted Chairmanship of Staff Aides for the Chapter.

Mrs. Thomas Ford, of San Mateo, has been moved from Vice-Chairman to Chairman of Motor

Lutheran Ladies To Meet Dec. 5th

The Ladies' Guild of the Lutheran Church of Our Savior will have their monthly meeting at the home of Mrs. J. J. Mallick, 1245 Holloway ave., on Tuesday, December 5, at 8 p.m.

Mrs. Ray Baker will be the co-hostess with Mrs. Mallick for this meeting.

Sunday School and Bible Classes are held every Sunday morning at 9:45 at the church, and Divine Services are at 11 a.m. Evening Services are at 7:30 and are informal, and at the present time the life of St. Paul is being studied in detail by the pastor, the Rev. Robert G. Konzelman, B.D.

The Lutheran Church of Our Savior is located on the corner of Garfield & Junipero Serra Blvd.

Service, a post left vacant by the recent resignation of Mrs. William Scammon. Mrs. Ford is a member of the Beresford Garden Club and an active Red Cross volunteer. Mrs. Robert A. Roos, of San Mateo, is a new member of the Helen Percy Chesebrough Memorial Fund Committee. Mrs. Roos is especially interested in the work of this Committee because of her many years of personal friendship with the late Miss Chesebrough.
